City of La Puente AGENDA REPORT

To: Mayor and City Council For meeting of: September 1, 2021

From: Bob Lindsey, City Manager

By: John Di Mario, Development Services Director
William C. Pagett, City Engineer

SUBJECT: CONSIDERATION OF AWARD OF CONSTRUCTION CONTRACT TO TOWO ENTERPRISE INC. FOR THE MAINTENANCE YARD ACCESS ROAD AT LA PUENTE PARK IN THE AMOUNT OF \$588,155

BACKGROUND

Included as part of the Park Master Plan is the construction of a new access road to the Maintenance Yard via Temple Avenue. With the next phase of the Park Master Plan focusing on the east side of the Park, this project will replace the existing roadway to the Maintenance Yard which currently derives access from Glendora Avenue through the Community Center parking lot.

DISCUSSION

The new roadway will provide a connection to Temple Avenue between the new skate park facility and the little league baseball field. The roadway will be a 24-foot wide concrete driveway approximately 630 feet long with rolled curbs to provide maintenance vehicles and equipment ease of access to both sides of the park from the service road. In addition to the new access road, the project will include water quality drainage improvements with a new Modular Wetlands System to capture and filter the initial stormwater run-off before entering a new proposed catch basin and ultimately the City's storm drain system. The project will also reconstruct the Maintenance Staff parking spaces adjacent to the softball field and a section of the Maintenance Yard pavement area. The Engineer's Estimate for construction was \$493,000.

The bid opening was conducted on August 12, 2021. The City received a total of eight (8) bids for the project. The results of the bids are as follows:

Towo Enterprise, Inc.	\$552,955.00
GMC Engineering Inc.	\$567,000.00
Vido Samarzich, Inc.	\$578,730.00
Wright Construction Engineering Corp.	\$596,559.00
FS Contractors	\$617,890.00
Roadway Engineering	\$634,532.00
Excel Paving	\$698,638.00
Minako America Corp	\$856,270.00

After the process of verifying the contractor's bid submittal, references were contacted for TOWO Enterprise Inc. References confirmed that the contractor's prior work was completed satisfactorily. TOWO Enterprise Inc. has been determined to be the lowest responsible bidder for the project.

The Project also included an Additive Alternate Bid Item for the removal/demolition of the existing access road from the Community Center Parking Lot to the new access road. TOWO submitted a bid amount of \$35,200 for the Additive Alternate work, which was comparable to all the bids received from the other contractors. Due to the necessity of removing the existing access road and the favorable bid pricing, staff is recommending the Additive Alternate work in the amount of \$35,200 also be included as part of the Project for a total construction cost of \$588,155.

Based on the scope of work, the Project should take approximately forty (40) working days to complete after the date the contractor is issued the notice to proceed. It is anticipated that the Project would commence in mid-September.

FISCAL IMPACT

This project is included in the Fiscal Year 2021-22 Capital Improvement Program Budget in the amount of \$590,000. Funding is distributed between Measure W in the amount of \$275,000 and the American Rescue Plan Act (ARPA) Fund in the amount of \$315,000. The design costs were paid in the prior Fiscal Year.

The bid schedules for construction of this Project total \$588,155. With a 10 percent (10%) project contingency of \$58,815, the total construction project budget is \$646,970. In addition, there are associated project costs for construction management, inspection, and material testing estimated at \$83,000. This brings the total project cost to \$729,970. In order to cover the total project cost, staff is requesting an additional appropriation of \$139,970 in ARPA funds.

There is no impact to the City's General Fund associated with this project.

RECOMMENDATION

It is recommended that the City Council: (1) award the contract to TOWO Enterprise Inc. in the total amount of \$588,155; (2) authorize the City Manager to execute the Agreement and approve change orders up to 10% of the contract amount; and (3) adopt Resolution No. 21-5654 amending the adopted Capital Improvement Program Budget for Fiscal Year 2021-22 in the amount of \$139,970.
