How to Submit Public Comment

Please note that all comments are subject to the same Rules of Decorum as would otherwise apply to speakers at City Council meetings.

In Person: Public comment may be provided in-person at City Hall, 15900 E. Main Street.

In Writing: Written comments may be sent via email to cityclerk@lapuente.org no later than 2 hours prior to the meeting start time. Email comments will be distributed to the City Council and will become part of the official record for that meeting but will not be read at the time of the City Council Meeting. To ensure your correspondence is received by the Council and City staff, please include the subject line "PUBLIC COMMENT."

Cómo enviar comentarios públicos

Tenga en cuenta que todos los comentarios están sujetos a las mismas reglas que se aplicarían a los oradores en las reuniones del Concejo Municipal.

En persona: Los comentarios públicos se pueden proporcionar en persona en el Ayuntamiento, 15900 E. Main Street.

Por escrito: Los comentarios escritos pueden enviarse por correo electrónico a cityclerk@lapuente.org a más tardar 2 horas antes del inicio de la reunión. Los comentarios por correo electrónico se distribuirán al Concejo Municipal y formarán parte del registro oficial de esa reunión, pero no se leerán en el momento de la reunión del Concejo Municipal. Para garantizar que el Concejo Municipal y el personal de la Ciudad reciba su correspondencia, incluya la línea de asunto "COMENTARIO PÚBLICO".

A. MINUTES OF PREVIOUS CITY COUNCIL AND SUCCESSOR AGENCY MEETINGS

A-1 READ AND APPROVE THE MINUTES OF THE CITY COUNCIL AND SUCCESSOR AGENCY MEETINGS OF FEBRUARY 22, FEBRUARY 27, AND MARCH 12, 2024

Staff Recommendation: It is recommended that the City Council and Successor Agency waive the reading and approve the Minutes of the City Council and Successor Agency meetings of February 22, February 27, and March 12, 2024.

B. PUBLIC HEARINGS BEFORE THE CITY COUNCIL

B-1 CONSIDERATION OF A RESOLUTION ADOPTING A SCHEDULE OF FEES AND CHARGES FOR VARIOUS MUNICIPAL ACTIVITIES AND SERVICES

Staff Recommendation: It is recommended that the City Council: (1) open the public hearing and receive public testimony; and (2) adopt Resolution No. 24-5860, adopting a schedule of fees and charges for various municipal activities.

C. UNFINISHED BUSINESS OF THE CITY COUNCIL – None

D. CITY COUNCIL AND SUCCESSOR AGENCY CONSENT CALENDAR

All matters listed under Consent Calendar are considered to be routine in nature and may be enacted by one motion approving the recommendation listed on the Agenda. One or more items may be removed from the Consent Calendar so that said item(s) may be discussed and considered individually by the City Council/Successor Agency, if a motion to remove the item(s) is approved by an affirmative vote of a majority of the members of the City Council/Successor Agency. Those specific item(s) will be considered as the first item under New Business.

D-1 CONSIDERATION OF A RESOLUTION APPROVING WARRANT RESOLUTION NO. 24-5861

Staff Recommendation: It is recommended that the City Council and Successor Agency adopt Resolution No. 24-5861 approving Warrant Register No. 1568.

D-2 PRESENTATION OF FEBRUARY 2024 REQUISITION SUMMARY REPORT

Staff Recommendation: It is recommended that the City Council receive and file this report.

D-3 PRESENTATION OF FEBRUARY 2024 INVESTMENT REPORT

Staff Recommendation: It is recommended that the City Council receive and file this report.

D-4 CONSIDERATION OF FUNDING ALLOCATION FOR THE LA PUENTE/H.E.A.R.T. AFFORDABLE PET CARE CLINICS

Staff Recommendation: It is recommended that the City Council allocate \$4,500 from Mayor Quinones, \$15,000 from Mayor Pro Tem Klinakis, \$10,000 from Council Member Mendoza, and \$20,000 from Council Member Munoz's discretionary ARPA funds to continue the La Puente/H.E.A.R.T. affordable pet care clinics for the remainder of the calendar year.

D-5 CONSIDERATION OF AN AGREEMENT FOR CONSTRUCTION SERVICES WITH HORIZON STRUCTURES, LLC FOR PREFAB MODULAR COMMERCIAL DOG KENNEL STRUCTURES IN THE AMOUNT OF \$389,219.24 AND CONSIDERATION OF A RESOLUTION AMENDING THE FY 2023/2024 BUDGET AND CAPITAL IMPROVEMENT PROGRAM

Staff Recommendation: It is recommended that the City Council: (1) authorize the City Manager to execute an Agreement for Construction Services with Horizon Structures, LLC for prefab modular commercial dog kennel structures in the amount of \$389,219.24, subject to contract approval by the City Attorney, and approve change orders up to 10% of the original bid amount; and (2) adopt Resolution No. 24-5862 amending the FY 2023/2024 Budget and Capital Improvement Program.

E. NEW BUSINESS TO BE CONSIDERED BY THE CITY COUNCIL

E-1 PRESENTATION OF FEBRUARY 2024 BUDGET REPORT

Staff Recommendation: It is recommended that the City Council receive and file this report.

E-2 UPDATE AND DISCUSSION REGARDING FUNDING OF 365 ATHLETIX FITNESS PROGRAM AT LA PUENTE PARK

Staff Recommendation: It is recommended that the City Council discuss this item and provide direction to Staff.

E-3 CONSIDERATION OF AN ORDINANCE AMENDING CHAPTER 3.28 (BINGO) OF TITLE 3 (PUBLIC SAFETY AND MORALS) OF THE LA PUENTE MUNICIPAL CODE

Staff Recommendation: It is recommended that the City Council: (1) waive reading of Ordinance No. 24-985 and read by title only; and (2) introduce Ordinance No. 24-985, an ordinance of the City Council of the City of La Puente, California amending Chapter 3.28 (Bingo) of Title 3 (Public Safety and Morals) of the La Puente Municipal Code.

ADJOURNMENT

AVAILABILITY

Any writings or documents provided to a majority of the City Council/Successor Agency regarding any item on this agenda will be made available for public inspection at the City Clerk Department at City Hall located at 15900 E. Main Street and the Reference Desk at the Library located at 15920 E. Central during normal business hours. In addition, such writings and documents will be posted on the City's website at <http://www.lapuate.org>.

AMERICANS WITH DISABILITIES

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in a City meeting or other services offered by the City, please contact the City Clerk's Office at (626) 855-1500. Notification at least 48 hours prior to the meeting or time when services are needed will assist City staff in assuring that reasonable arrangements can be made to provide accessibility to the meeting or service.

MEETING TIMES

Meetings of the City Council shall be adjourned no later than 10:30 p.m., unless a motion to supersede the 10:30 time limit to consider some or all of the remaining items listed on the Agenda, or to consider items which have been added to the Agenda in accordance with the provisions of the Ralph M. Brown Act, Government Code Section 54950, et seq., is approved by a majority of the members of the City Council. (Ordinance No. 95-727.)

CERTIFICATION

I hereby certify under penalty of perjury, under the laws of the State of California that the foregoing agenda was posted in accordance with the applicable legal requirements.

Dated this 21st day of March, 2024.

MINUTES
LA PUENTE CITY COUNCIL AND SUCCESSOR AGENCY
SPECIAL MEETING OF
FEBRUARY 22, 2024

Per *Robert's Rules of Order Newly Revised 11th Edition*, minutes are a record of the actions taken by the body. These minutes do not include a summary of the discussion but only reflect the action taken by the body. A complete audio recording of this meeting is available on the City's website www.lapueente.org.

A Special Meeting of the City Council of the City of La Puente was held in the Council Chambers of City Hall, 15900 East Main Street, La Puente, California, on February 27, 2024, at 8:00 a.m.

CALL TO ORDER

Mayor Quinones called the meeting to order at 8:16 a.m.

ROLL CALL

Members present: Quinones, Klinakis, Argudo, Mendoza, Munoz.

Members absent: None.

Staff members present: City Manager Bob Lindsey, City Attorney Susie Altamirano, City Clerk Martha Torres, Director of Administrative Services Troy Grunklee, Director of Development Services John Di Mario, Director of Community Services Alexander Bauman, Finance Manager Alexander Merkel Medina, and Management Assistant Cece Dunlap.

PLEDGE OF ALLEGIANCE

Mayor Quinones led the Pledge of Allegiance.

ORAL COMMUNICATIONS – None.

WELCOME AND MEETING OBJECTIVES

City Manager Lindsey introduced the meeting objectives and provided an outline of key issues, both complete and incomplete.

REVIEW, UPDATE, AND DISCUSSION OF KEY ISSUES, PROJECT OPPORTUNITIES, AND UNMENT NEEDS/SPECIAL PROJECT REQUESTS TO CITY MANAGER

City Personnel Policy Manual Updates

Director of Administrative Services Grunklee reported that a Human Resources consultant was hired to update the City personnel policies along with Staff and would be submitted to the City Attorney's office for review prior to the Union's review and subsequently for City Council consideration in July 2024.

In response to an inquiry from Council Member Mendoza regarding review time, Director Grunklee and City Manager Lindsey clarified that edits would be brought back to the City Council for consideration before and in between negotiations with the Union.

Street Revitalization Maintenance and Project Plan Proposal and Overview

Director Di Mario stated that all the bond proceeds from Measure M and Measure R funds have been spent for street improvements, and the current grind and overlay project is nearing completion. He further provided an update on the status of curb painting, speed bumps, sidewalk street numbering repainting project, sidewalk abatement project/tree uproot issues, and sign removals.

In response to an inquiry from Mayor Pro Tem Klinakis regarding speed bumps, Director Di Mario stated that current City policy states that a certain percentage of residents would need to petition for signatures to conduct a speed bump study.

In response to an inquiry from Council Member Mendoza regarding the timing of street improvement projects, Director Di Mario stated that Staff takes into consideration surrounding school schedules and high traffic hours around the street improvement areas.

City Manager Lindsey stated that there are certain street improvement projects that still need funding and Staff is working on prioritizing projects.

Preliminary La Puente Park Street Parking Evaluation and Needs Assessment

Director Di Mario stated that additional street parking spaces had been added on Hacienda Boulevard, between Nelson Avenue and Temple Avenue and reminded the City Council that the construction of the HAWK beacon on Prichard Street and Hacienda Boulevard, which was previously approved by the City Council, should begin soon.

In response to an inquiry from Council Member Munoz regarding La Puente Park parking, Director Di Mario stated that no additional on-site parking is being considered at the moment, and Director Bauman noted that the City has been working with the Hacienda La Puente School District to utilize the parking lot at La Puente High School for overflow parking during Sundays and event days. Council Member Mendoza noted that collaboration with the La Puente High School would be especially appreciated on busy event days to facilitate activities while also promoting pedestrian safety.

In response to an inquiry from Council Member Argudo regarding street parking on Glendora Avenue, Director Di Mario stated that bike lanes as part of the Active Transportation Plan Cycle 6 grant would be added on Glendora Avenue. City Manager Lindsey stated that there may be restrictions on possible options for street parking expansion on Glendora Avenue. City Manager Lindsey stated that Staff would review and gather additional information, and the item would be brought back at a future City Council meeting.

Needs Assessment and Discussion of Park Ordinances

City Manager Lindsey stated that there are several items that would be taken to the La Puente Park Fees, Ordinance and Program Oversight ad hoc committee.

City Manager Lindsey expressed a concern regarding speed safety at the La Puente Park and recommended installing flashing speed limit signs at the La Puente Park. He presented a video of the speed limit signs.

Discussion ensued regarding installing speed limit signs at the La Puente Park.

Council Member Mendoza suggested occasionally having a staff member stationed at the La Puente Park to welcome visitors and remind them of the Park rules.

Council Member Munoz suggested installing bike racks at the front of the park so that visitors can park their bike and enjoy the park on foot.

City Manager Lindsey stated that the speed signs would be brought back for demonstration and for City Council consideration at the next City Council meeting.

Review of Youth Sports, Community Programming, Projects, and Special Events

Director Bauman stated that the City is currently running four sport seasons a year, instructional sport classes, the year-round Special Olympics program, and additional recreational programming, including collaborations with outside organizations. He also spoke regarding upcoming projects that Staff is working on.

Mayor Pro Tem Klinakis suggested having a singular event for the Dia de los Muertos event and also suggested the possibility of having City Departments create their own floats during parades.

Council Member Mendoza suggested additional outreach for student participation in City events and programs.

City Manager Lindsey spoke regarding the City putting together a volunteer program.

Council Member Munoz suggested that the City host a Mommy & Me event at the playground on the weekends.

Director of Community Services Bauman reported that the National Little League Parade and the Little League and Softball opening day ceremonies would be held on March 9, 2024.

Director of Community Services Bauman spoke regarding the Tiny Tots program. In response to an inquiry by Council Member Argudo regarding the capacity of the Tiny Tots program, Director Bauman confirmed that there is currently no waiting list; however, the program is continuing to grow, and Staff has been able to accommodate the growth.

Review of LGBTQ+ Community Partnerships

City Manager Lindsey reported that Mayor Quinones and Staff met with Penny Lane Centers and are currently working together to provide services, resources, and support to those in need.

Mayor Quinones spoke regarding the Embracing Identities program that the City and Penny Lane Centers have collaborated on.

Establishment of Street Art/Mural Program to Beautify the City

Council Member Argudo suggested that a potential area for additional murals is down Temple Avenue from Sunset Avenue and Unruh Avenue and suggested keeping the same type of art style in the murals placed within the City.

Mayor Quinones stated that the City is working with the schools in La Puente to come up with new mural ideas.

In response to an inquiry from Council Member Munoz regarding painting the street exposed walls in a uniform color, Director of Development Services Di Mario stated that Staff is applying the recommended color.

City Manager Lindsey clarified that the Temple corridor and the area in front of Bassett High School would be potential mural project areas.

Mayor Quinones recessed the meeting at 9:48 am and reconvened at 9:58 am.

Council Member Mendoza left the meeting at 9:48 a.m.

Activity Center Project

Director of Development Services Di Mario introduced Frisco White and Martin Silva, Architects from Westberg + White, Inc., and provided a presentation on the design concept of the Activity Center at La Puente Park.

Discussion ensued regarding the design concept of the Activity Center and potential changes to increase the size of the activity room.

Council Member Munoz requested that pricing to paint the Community Center to match the new activity center building be added to the total cost of the project.

Direction was provided to Staff and the Architects to adjust the internal rooms design, storage area, and expand the building by utilizing the maximum space available that does not interfere with the sewer and water lines and bring back the updated design at a future City Council meeting.

Upgrade and Enhance Council Chambers Infrastructure and Technology

City Manager Lindsey provided an update on the Council Chambers renovation and proposed that technology upgrades and minor cosmetic renovations be made to the Chambers. He noted that the City Council had previously approved for funds to be set aside for a large-scale Council Chambers renovation, however, with the IT upgrades and minor renovations, the funds not utilized can be used for other City projects.

Communications/IT Analyst Overstreet provided an overview of proposed technology upgrades to the Chambers to ensure transparency for residents and ease of use for Staff.

Direction was provided to Staff to proceed with the minor cosmetic renovations in the Council Chambers that are within the City Manager's spending authority and to bring back the technology upgrades for consideration and approval at a future City Council meeting.

Dog Park/Kennel

Chief/Director of Public Safety Buckwell provided a design concept of the dog park/animal kennel.

In response to an inquiry by Council Member Munoz regarding costs and the timeline of the project, City Manager Lindsey stated that the project would likely need to go out to bid and at this time, Staff only have projected costs. He noted that a multitude of funding sources are involved in the project, including Measure A TAP funds that have been used for architectural services and would also be utilized to fund the dog park. City Manager Lindsey stated that the timeframe would depend on the architect, the underground work needed, and the building and installation of the kennels.

Discussion ensued regarding staffing the animal kennel, the location of the City's animal control office, and the involvement of the H.E.A.R.T. organization with the City.

City Manager Lindsey clarified that the funds not used as part of the City Council renovation project can be used to cover the cost of the animal kennels.

Discussion ensued regarding the placement, layout, and design details of the animal kennel and the dog park.

City Manager Lindsey clarified that the animal kennel would be a no-kill shelter and stated that the item would be brought back at a future City Council meeting when additional information regarding funding, bid procedures, and timeline is received.

Veteran's Memorial

Director of Development Services Di Mario provided a presentation regarding the Veteran's Memorial conceptual site plan and noted that the project architect is currently working on a cost proposal for Phase II, which would include costs for construction. He further reported that the City submitted a grant application for funding from the National Park Service and the application was qualified at the State level

and is now competing at the Federal level. Director Di Mario noted that the grant requires a 50% local match from the City.

Fee Study

Director of Administrative Services Grunklee stated that the draft fee study has been sent to the La Puente Park Fees, Ordinance and Program Oversight ad hoc committee and Code Enforcement and Public Safety ad hoc committee for review. Once the committees review the fees and meet with Staff, the fee study would be brought to a future City Council meeting for a public hearing and City Council consideration.

Discussion ensued regarding the timeline and process of bringing the fee study item to a future meeting for City Council consideration.

Direction was provided to Staff to provide the draft fee study to each Council Member and set up individual meetings with each Council Member to review and discuss the proposed fees. City Manager Lindsey noted that any answers provided by Staff in response to Council Member inquiries would be provided to the entire City Council.

Accessory Dwelling Units (ADU) Ordinance

Planning Manager Tellez provided a PowerPoint presentation on the ADU ordinance that Staff is currently working on amending to comply with State law and reported that the proposed ordinance would be brought at a future City Council meeting.

Mayor Quinones noted that the remaining items not discussed would be brought back at a future City Council meeting.

ORAL COMMENTS FROM COUNCIL

Mayor Pro Tem Klinakis thanked City Staff for their participation and hard work.

Mayor Quinones thanked everyone for their participation and input.

ORAL COMMENTS FROM STAFF – None

ADJOURNMENT

Mayor Quinones adjourned the meeting at 12:03 p.m.

Approved this 26th day of March, 2024.

City Clerk

Gabriel Quiñones
Mayor/Chair

MINUTES
LA PUENTE CITY COUNCIL AND SUCCESSOR AGENCY
REGULAR MEETING OF
FEBRUARY 27, 2024

Per Robert's Rules of Order Newly Revised 11th Edition, minutes are a record of the actions taken by the body. These minutes do not include a summary of the discussion but only reflect the action taken by the body. A complete audio recording of this meeting is available on the City's website www.lapueente.org.

A Regular Meeting of the City Council of the City of La Puente was held in the Council Chambers of City Hall, 15900 East Main Street, La Puente, California, on Tuesday, February 27, 2024, at 7:00 p.m.

CALL TO ORDER

Mayor Quinones called the meeting to order at 7:07 p.m.

ROLL CALL

Members present: Quinones, Klinakis, Mendoza, Munoz.

Members absent: Argudo.

Staff members present: City Manager Bob Lindsey, City Attorney Susie Altamirano, City Clerk Martha Torres, Director of Administrative Services Troy Grunklee, Director of Development Services John Di Mario, Director of Community Services Alexander Bauman, Finance Manager Alexander Merkel Medina, and Office Specialist Jackie Cortez.

PLEDGE OF ALLEGIANCE

Mayor Quinones led the Pledge of Allegiance.

PRESENTATIONS

Sergeant Hugo Barajas from the Los Angeles County Sheriff's Department spoke regarding recent activity within the City, including various programs and presentations that were held regarding safety. Sergeant Barajas also thanked Deputies Adamo and Jordan for their hard work and stated that Deputy Rivera would be transferring to a different station in mid-April.

Project LEAD student Gerardo Gastelum Rosillo presented regarding recent and upcoming activities and events at Del Valle Elementary School.

Project LEAD student Karen Ramirez Fuentes presented regarding recent and upcoming activities and events at Sunset Elementary School.

ORAL COMMUNICATIONS

Alyssa Jurkevics shared her support for Item E-2 and stated her concerns regarding equitability and outreach regarding Item E-2.

May Ruangutri spoke regarding the Pride of Thailand organization and its upcoming event on May 4, 2024.

BOARDS/COMMISSION/COMMITTEE REPORTS – None

A. MINUTES OF PREVIOUS CITY COUNCIL AND SUCCESSOR AGENCY MEETINGS

ABSENT: Argudo

B. PUBLIC HEARINGS BEFORE THE CITY COUNCIL

B-1 PUBLIC HEARING AND SECOND READING OF ORDINANCE NO. 24-984 ADOPTING BY REFERENCE, PURSUANT TO GOVERNMENT CODE SECTION 50022.2, TITLE 32 FIRE CODE OF THE LOS ANGELES COUNTY CODE, INCORPORATING BY REFERENCE THE CALIFORNIA FIRE CODE 2022 EDITION, AND ADOPTING LOCAL AMENDMENTS THERETO, AND MAKING FINDINGS FOR SAME

Associate Planner Juan Galvan provided a report regarding the proposed fire code.

Mayor Quinones opened the public hearing at 7:34 p.m. There being no members of the public wishing to speak, Mayor Quinones closed the public hearing at 7:35 p.m.

A motion was made by Mayor Pro Tem Klinakis, seconded by Council Member Munoz, to adopt Ordinance No. 24-984, an Ordinance of the City Council of the City of La Puente Adopting By Reference, Pursuant to Government Code Section 50022.2, Title 32 – Fire Code of the Los Angeles County Code, Incorporating by Reference the California Fire Code 2022 Edition and Adopting Local Amendments Thereto, and Making Findings For Same; and approved and adopt the Notice of Exemption. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: Argudo

C. UNFINISHED BUSINESS OF THE CITY COUNCIL – None

D. CITY COUNCIL AND SUCCESSOR AGENCY CONSENT CALENDAR

A motion was made by Council Member Munoz, seconded by Mayor Pro Tem Klinakis, to approve Consent Calendar Items D-1 through D-6. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: Argudo

D-1 CONSIDERATION OF A RESOLUTION APPROVING WARRANT RESOLUTION NO. 24-5852

Action Taken: The City Council and Successor Agency adopted Resolution No. 24-5852 approving Warrant Register No. 1566.

D-2 PRESENTATION OF JANUARY 2024 INVESTMENT REPORT

Action Taken: The City Council received and filed this report.

D-3 PRESENTATION OF JANUARY 2024 REQUISITION SUMMARY REPORT

Action Taken: The City Council received and filed this report.

D-4 CONSIDERATION OF A RESOLUTION APPROVING THE FILING OF AN APPLICATION FOR THE CITY OF LA PUENTE'S MEASURE A ALLOCATION THROUGH THE LOS ANGELES COUNTY REGIONAL PARK AND OPEN SPACE DISTRICT

Action Taken: The City Council adopted Resolution No. 24-5853 approving the filing of an application for its Measure A allocation through the Los Angeles County Regional Park and Open Space District.

D-5 CONSIDERATION OF A RESOLUTION AMENDING THE FISCAL YEAR 2023-2024 CAPITAL IMPROVEMENT PROGRAM BUDGET

Action Taken: The City Council adopted Resolution No. 24-5854 amending the adopted Fiscal Year 2023-2024 Capital Improvement Program Budget.

D-6 CONSIDERATION OF A STREET USE AGREEMENT BETWEEN THE CITY OF LA PUENTE AND LA PUENTE NATIONAL LITTLE LEAGUE FOR AN OPENING DAY PARADE

Action Taken: The City Council: (1) approved the Street Use Agreement between the City of La Puente and La Puente National Little League; and (2) authorized the City Manager to execute the Agreement on behalf of the City.

E. NEW BUSINESS TO BE CONSIDERED BY THE CITY COUNCIL

E-1 PRESENTATION OF JANUARY 2024 BUDGET REPORT AND CONSIDERATION OF A RESOLUTION AMENDING THE FISCAL YEAR 2023/2024 OPERATING AND CAPITAL BUDGET

Finance Manager Merkel Medina provided a report regarding the January 2024 budget.

A motion was made by Mayor Quinones, seconded by Mayor Pro Tem Klinakis, to (1) receive and file the budget report; and (2) adopt Resolution No. 24-5855 amending the adopted operating and capital budgets for fiscal year 2023/2024. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: Argudo

E-2 CONSIDERATION OF A RESOLUTION APPROVING THE CITY'S FIRST-TIME HOMEBUYER DOWN PAYMENT ASSISTANCE PROGRAM UTILIZING PERMANENT LOCAL HOUSING ALLOCATION FUNDS

In response to the public comment received regarding equitability and outreach for Item E-2, Director Di Mario stated there is a non-discrimination clause in the program guidelines and clarified that there are no restrictions to submit an application, as long as the property is located within the City of La Puente.

Director Di Mario provided a report regarding the City's First-Time Homebuyer Down Payment Assistance Program.

In response to an inquiry from Mayor Pro Tem Klinakis regarding renting, Director Di Mario stated that as a stipulation of the program, renting would not be allowed, and the property would need to be owner-occupied.

In response to an inquiry from Mayor Pro Tem Klinakis regarding refinancing, Director Di Mario stated that should the applicant choose to refinance and cash out, they would need to pay back the City. However, if the applicant chooses to refinance without cashing out, they would not need to pay the City.

In response to an inquiry from Mayor Pro Tem Klinakis regarding redevelopment agency funding, Director Di Mario noted there is still funding from the redevelopment agency available. Director Grunklee confirmed that a percentage of redevelopment funds are set aside in a low and moderate housing set-aside fund. Director Di Mario suggested that once the program is up and running, additional funding may be considered to augment and assist in funding the program.

Council Member Munoz suggested that the City consider a policy regarding Airbnb in the City.

A motion was made by Mayor Pro Tem Klinakis, seconded by Council Member Munoz, to adopt Resolution No. 24-5856 approving the City's First-Time Homebuyer Down Payment Assistance Program utilizing PLHA funds. The motion carried by the following roll call vote:

AYES:	Quinones, Klinakis, Mendoza, Munoz
NOES:	None
ABSTAIN:	None
ABSENT:	Argudo

E-3 UPDATE AND DISCUSSION REGARDING AN ORDINANCE FOR NON-COMPLIANT BUSINESSES IN THE CITY

City Attorney Altamirano stated that a report would be provided at a future Council Meeting to bring forward an ordinance to address non-compliant businesses and address cost recovery for the City.

In response to an inquiry from Mayor Pro Tem Klinakis regarding Airbnb in the City, City Attorney Altamirano stated there is no current municipal code regarding this matter. The City Council reached a consensus and provided direction to Staff to bring back a discussion item regarding Airbnb rentals.

AD HOC COMMITTEE REPORTS

Code Enforcement and Public Safety Committee: Nothing to report.

La Puente Park Fees, Ordinance and Program Oversight Committee: Nothing to report.

Project LEAD Committee: Nothing to report.

LPQT Action Committee: Nothing to report.

Rowland, Bassett, and Hacienda La Puente Unified School Districts Liaison Committee: Nothing to report.

Grant Writing Committee: Nothing to report.

AB 1234 REPORTS – None.

ORAL COMMENTS FROM COUNCIL

Council Member Munoz stated that the City Council would be receiving a letter which they may sign in support of the San Gabriel Basin Water Quality Authority to secure funding from the federal government.

Mayor Pro Tem thanked Director Bauman and the Community Services Department for their work on the upcoming Egg Hunt.

Mayor Quinones thanked City Staff for their hard work and dedication.

ORAL COMMENTS FROM STAFF

Community Engagement Supervisor Cardona provided updates on the enhancement of the La Puente Community Foundation activities.

Director Bauman provided updates on the Local Aging and Disability Plan and Digital Literacy Program.

Office Specialist Arellano provided an update regarding the Wi-Fi and camera expansion in and around City facilities.

Director Di Mario provided an update on the City's parkway tree project and the Los Angeles County Amar Road project.

The City Council recessed into closed session at 6:08 p.m. to discuss the item as posted on the agenda.

CLOSED SESSION

1. CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION Pursuant to Government Code section 54956.9 subdivision (d)(1) (Lewis v. City of La Puente, Los Angeles Superior Court Case No. 21STCV18841)

RECONVENE TO OPEN SESSION

The City Council reconvened to open session at 7:04 p.m.

REPORT OUT OF CLOSED SESSION

City Attorney Altamirano reported out of closed session and stated that a report was provided, feedback was given by Council, and no reportable action was taken.

7:00 P.M. REGULAR SESSION

CALL TO ORDER

Mayor Quinones called the meeting to order at 7:05 p.m.

ROLL CALL

Members present: Quinones, Klinakis, Argudo, Mendoza, Munoz.

Members absent: None.

Staff members present: City Manager Bob Lindsey, City Attorney Susie Altamirano, City Clerk Martha Torres, Director of Administrative Services Troy Grunklee, Chief/Director of Public Safety Jeffrey Buckwell, Director of Community Services Alexander Bauman, Senior Planner Abraham Tellez, Associate Planner Juan Galvan, and Office Specialist Jackie Cortez.

ORAL COMMUNICATIONS

Estrella Koutsky spoke regarding National Nutrition Month.

The following individuals expressed their concerns regarding field usage at La Puente Park: Lorenzo Dominguez, Monique Dominguez, Nicole Banks, Susana Fajardo-Rovira, and Virginia Moreno.

Manuel Maldonado spoke regarding the La Puente Park marquee, the advertisement of City news, and translation services.

City Attorney Altamirano recommended the La Puente Park field usage item be agenized for a future City Council Meeting.

Diana Herrera submitted a written comment regarding street work, bike lanes, speed signs, translation services, volunteer opportunities, murals, and tree planting.

Javier Urrea submitted a written comment expressing his concern regarding the Embracing Identities program.

Solidarity SF submitted a written comment regarding field usage at the La Puente Park.

Council Member Munoz recommended that Item E-1 be moved up for discussion.

E. NEW BUSINESS TO BE CONSIDERED BY THE CITY COUNCIL

E-1 CONSIDERATION OF PROCLAIMING MARCH 2024 AS NATIONAL NUTRITION MONTH

A motion was made by Mayor Pro Tem Klinakis, seconded by Council Member Argudo, to proclaim March 2024 as National Nutrition Month. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Argudo, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: None

City Clerk Torres presented the March 2024 National Nutrition Month proclamation to Estrella Koutsky.

BOARDS/COMMISSION/COMMITTEE REPORTS – None

A. MINUTES OF PREVIOUS CITY COUNCIL AND SUCCESSOR AGENCY MEETINGS – None

B. PUBLIC HEARINGS BEFORE THE CITY COUNCIL – None

C. UNFINISHED BUSINESS OF THE CITY COUNCIL

C-1 PRESENTATION AND DISCUSSION REGARDING SOLAR SPEED FEEDBACK SIGNS BY NEXTECH SYSTEMS, INC.

Aaron Edwards from Nextech Systems provided a presentation on the solar speed feedback signs.

A motion was made by Council Member Argudo, seconded by Mayor Pro Tem Klinakis, to approve the installation of two (2) white 12” solar speed feedback signs at the La Puente Park. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Argudo, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: None

PRESENTATIONS

Community Outreach Program Coordinator Brian Torres provided a report of the recent activity within the City by the P.R.O.S. Team. He further reported that he was selected to speak at the 2024

Homelessness Symposium hosted by the San Gabriel Valley Coalition of Governments, the City of Arcadia, and District Supervisor Kathryn Barger on February 29, 2024.

D. CITY COUNCIL AND SUCCESSOR AGENCY CONSENT CALENDAR

City Attorney Altamirano read the following corrections into the record with regard to Item D-3: Exhibit B of the Professional Services Agreement, Agency shall be replaced with City.

Director of Community Services Bauman read the following corrections into the record with regard to Item D-4: Section 2C of the Professional Services Agreement, architectural services shall be replaced with special event audio services, and Exhibit C, Agency shall be replaced with City.

A motion was made by Council Member Argudo, seconded by Mayor Pro Tem Klinakis, to approve Consent Calendar Items D-1 through D-4 with corrections recommended by staff. The motion carried by the following roll call vote:

AYES: Quinones, Klinakis, Argudo, Mendoza, Munoz
NOES: None
ABSTAIN: None
ABSENT: None

D-1 CONSIDERATION OF A RESOLUTION APPROVING WARRANT RESOLUTION NO. 24-5857

Action Taken: The City Council and Successor Agency adopted Resolution No. 24-5857 approving Warrant Register No. 1567.

D-2 CONSIDERATION OF A RESOLUTION DECLARING AS SURPLUS PROPERTY THREE VEHICLES IN THE CITY'S FLEET, AUTHORIZING THE SALE OF THE SURPLUS VEHICLES BY ENTERPRISE FLEET MANAGEMENT

Action Taken: The City Council: (1) adopted Resolution No. 24-5858 and declare as surplus property, three vehicles in the City's fleet, authorizing the sale of the surplus vehicles at auction; and (2) authorized the City Manager to execute the Agreements on behalf of the City.

D-3 CONSIDERATION OF A PROFESSIONAL SERVICES AGREEMENT WITH COMMUNITY WORKS DESIGN GROUP FOR A DOG PARK AND NATURE TRAILS IN THE AMOUNT OF \$27,472.50 TO BE REIMBURSED FROM THE MEASURE A TECHNICAL ASSISTANCE PROGRAM AND CONSIDERATION OF A RESOLUTION AMENDING THE FY 2023/2024 BUDGET AND CAPITAL IMPROVEMENT PROGRAM

Action Taken: The City Council: (1) approved the Professional Services Agreement with Community Works Design Group in the amount of \$27,472.50 with the following corrections to Exhibit B, Agency shall be replaced with City; (2) authorized the City

Manager to execute the Agreement on behalf of the City; and (3) adopted Resolution No. 24-5859 amending the FY 2023/2024 Budget and Capital Improvement Program.

D-4 CONSIDERATION OF A PROFESSIONAL SERVICES AGREEMENT WITH EVENT SOUND PROFESSIONALS (ESP) TO PROVIDE AUDIO SERVICES FOR CITY SPECIAL EVENTS

Action Taken: The City Council: (1) approved the Professional Services Agreement for audio services provided by Event Sound Professionals with the following corrections to Section 2C, architectural services shall be replaced with special event audio services, and Exhibit C, Agency shall be replaced with City; and (2) authorized the City Manager to execute the Agreement on behalf of the City.

AD HOC COMMITTEE REPORTS

Code Enforcement and Public Safety Committee: Nothing to report.

La Puente Park Fees, Ordinance and Program Oversight Committee: Nothing to report.

Project LEAD Committee: Nothing to report.

LPQT Action Committee: Council Member Mendoza stated that the LPQT Action Committee had met to discuss the upcoming Brunch by the Bridge event.

Rowland, Bassett, and Hacienda La Puente Unified School Districts Liaison Committee: Nothing to report.

Grant Writing Committee: Nothing to report.

AB 1234 REPORTS – None.

ORAL COMMENTS FROM COUNCIL

Mayor Pro Tem Klinakis stated that the United Methodist Church had 26,000 vehicles through their food bank last year and thanked those who participated. He also thanked the Code Enforcement department, Building department, and City Staff for their hard work. Mayor Pro Tem Klinakis further reported that City Staff along with Los Angeles County Staff were ensuring that street food vendors in the City were in compliance with licensing and health department regulations.

In response to an inquiry from Council Member Argudo regarding food vendors, Chief/Director of Public Safety Buckwell confirmed that 3,200 pounds of tainted food were picked up and disposed of.

Mayor Quinones thanked City Staff for their continuous support and hard work in working with different organizations.

ORAL COMMENTS FROM STAFF

City Manager Lindsey thanked all the oral commentators for speaking at the meeting tonight and apologized to Nicole Banks for not having space for her organization at the La Puente Park.

City Manager Lindsey provided a presentation of maps that represent the areas of Little League participants and how it relates to La Puente Park usage.

Director of Community Services Bauman stated that the Youth Soccer League registration ends this week and reported that Breakfast with the Bunny and the Egg Hunt would take place on Saturday, March 30, 2024.

In response to an inquiry from Council Member Argudo regarding written comments, City Clerk Torres stated that written comments that were e-mailed at least two hours prior to the start time of the Council Meeting had been provided to the City Council prior to the meeting.

ADJOURNMENT

There being no further business before the City Council, Mayor Quinones adjourned the meeting at 8:18 p.m.

Approved this 26th day of March, 2024.

Martha Torres, MPA
City Clerk

Gabriel Quiñones
Mayor/Chair

City of La Puente AGENDA REPORT

To: Mayor and City Council

For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

By: Troy O. Grunklee, CPA, Director of Administrative Services
Alex Merkel Medina, Finance Manager

SUBJECT: CONSIDERATION OF A RESOLUTION ADOPTING A SCHEDULE OF FEES AND CHARGES FOR VARIOUS MUNICIPAL ACTIVITIES AND SERVICES

BACKGROUND

California Government Code § 66000 et. seq. allows public agencies to impose fees for the purpose of recovering costs incurred while providing various services to the community. The determination of rates for such fees is required by statute to be based on a quantitative study examining data related to the use of staff time, wages and benefits, facility overhead, and other agency resources. The City previously conducted a comprehensive user fee study in Fiscal Year 2018-2019, increasing a limited number of fees and charges at that time. The fee schedule has not been altered since. According to the U.S. Bureau of Labor Statistics, inflation as measured by the Consumer Price Index (CPI) increased by 23% between January 2019 and January 2024, necessitating the re-examination of the cost recovery rates established in the previous study.

On June 23, 2023, a Request for Proposals (“RFP”) was issued for the purpose of procuring a qualified consulting firm to perform the comprehensive user fee study. A professional services agreement was awarded to Willdan Financial Services at the regular City Council meeting on August 8, 2023. In collaboration with City staff from each operating department, Willdan Financial Services collected data and prepared a report proposing various fee increases. The target rate was set at full cost recovery for service delivery in each category. In February 2024, staff met with the designated ad-hoc committees from each fee area to conduct an examination of the proposed report. The committees provided input and approved this item to move forward for consideration by the full City Council. A Notice of Public Hearing was published in compliance with state law, advising the community of their right to participate in discussion on this matter. It is noteworthy that the action set forth herein only applies to fees and charges – no taxes or utility rates will be modified. New fees and rates will be effective sixty (60) days after approval of this resolution as required by law. Until that time, the fees currently enacted will remain continue to be imposed.

DISCUSSION

The comprehensive user fee study is attached to this item for review in its entirety. It contains a detailed listing of fees to be amended and provides all the assumptions and calculations supporting those changes. The following table summarizes the proposed increases in existing fees and charges by function:

Department	Average % Change in Fee
Animal Control	0%
Administration	44%
City Clerk	0%
Code Enforcement	0%
Parking	5%
Public Safety	0%
Planning	22%
Building	0%
Engineering	0%
Recreation	Various

For Building and Engineering Permits, the underlying base fees will not be modified. The valuation tables that are used to calculate the permit fees will be updated to reflect more recent construction costs. For Recreation related fees, including rental of park facilities, fees are dependent on size of group and location of residence.

Several new fees would be added to aid in cost recovery as the City expands its service offerings.

New Fee	Price
Animal Relinquishment	\$125.00
USB Fee (Electronic Documents)	\$5.00
RV Permit Application Fee	\$15.00
Commercial Parking Permit	\$25.00
Nuisance Abatement	Actual Cost
Driveway Expansion Fee	\$95.00
Presale Inspection Fee	\$265.00
Ministerial Lot Split Fee	\$2,287.00
Planning Final Inspection	\$95.00
Park Facility Rentals	Various

FISCAL IMPACT

The proposed increases in fees and charges for services would result in corresponding increases to General Fund revenues in Licenses and Permits, Fines and Forfeitures, and Charges for Services. This will assist in stabilizing the budget in forthcoming periods and allowing the City to continue addressing critical local needs. The resolution also allows the City to administratively adjust the fees and charges contained herein each July 1st by the annual change in the Consumer Price Index (CPI).

RECOMMENDATION

It is recommended that the City Council: (1) open the public hearing and receive public testimony; and (2) adopt Resolution No. 24-5860, adopting a schedule of fees and charges for various municipal activities.

ATTACHMENTS

Attachment "A":	Resolution No. 24-5860
Attachment "B":	Comprehensive User Fee Study

RESOLUTION NO. 24-5860

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA PUENTE, CALIFORNIA, ADOPTING A SCHEDULE OF FEES AND CHARGES FOR VARIOUS MUNICIPAL ACTIVITIES AND SERVICES AND APPROVING AN ONGOING CHANGE TO THE RATES IN THE SCHEDULE IN ACCORDANCE WITH THE ANNUAL CONSUMER PRICE INDEX (CPI) ADJUSTMENT FOR LOS ANGELES COUNTY

WHEREAS, under the police power granted by Article XI, Section 7 of the California Constitution, the City of La Puente is authorized to impose reasonable service fees for a variety municipal benefits and services; and

WHEREAS, in order to combine certain fees, rates and tables into one document and determine the true cost of providing municipal services, the City Council caused a Comprehensive User Fee Study to be conducted wherein it was determined that certain existing City fees, rates and charges do not cover the actual costs incurred by the City and that in order to continue to provide effective services for the public, the City must adjust fees for certain municipal services which accurately reflect the City's actual cost of providing such goods, services and facilities; and

WHEREAS, the City Council has also determined that the consolidation of fees and other charges which have been previously adopted pursuant to Council ordinances and resolutions over the years -- centralizes fees and schedules and simplifies the process for locating certain fees by staff and the public; and

WHEREAS, any previous fees not replaced by this resolution are still active until future determination by the City Council; and

WHEREAS, based upon evidence provided, the City Council hereby determines that the proposed fees cover, but do not exceed, the reasonable cost of providing the services for which the fee is charged; and

WHEREAS, it is the desire of City Council for those fees to be adjusted henceforth in accordance with the annual change in the Consumer Price Index (CPI) for Los Angeles County for the period ending December of each year; and

WHEREAS, the City Council has determined that the proposed Schedule of Fees and Charges is statutorily and categorically exempt from the requirements of the California Environmental Quality Act since citing these fees fit within the statutory exemptions for local agency decisions involving the adoption and collection of rates, tolls and other charges, pursuant to Public Resources Code Section 21080(b)(8) and Section 15273 of the California Environmental Quality Act Guidelines; and

WHEREAS, on March 26, 2024, the City Council held a duly noticed public hearing at which all persons could present oral and written testimony regarding the Schedule of Fees and Charges.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA PUENTE
HEREBY FINDS, DETERMINES AND RESOLVES AS FOLLOWS:**

SECTION 1. The above recitals are true and correct and are incorporated herein by reference.

SECTION 2. Adoption of Schedule of Fees and Charges. The City Council approves and adopts the Schedule of Fees and Charges (the “Schedule”), which is attached hereto as Exhibit “A” and incorporated herein by reference.

SECTION 3. The City Council finds that the fees and charges set forth in the Schedule attached as Exhibit “A”: (1) have a reasonable relationship with the City’s costs in providing and maintaining those services and facilities; and (2) are necessary to enable the City to continue providing and maintaining the services and facilities to which they relate.

SECTION 4. The fees found in the Schedule of Fees and Charges can henceforth be adjusted in accordance with the annual change in the Consumer Price Index (CPI) for All Urban Consumers, for the Los Angeles/Riverside/Orange County metropolitan area, as published by the United States Department of Labor, Bureau of Labor Statistics, for the period ending December of each year without further City Council action; and

SECTION 5. The annually adjusted fees in the Schedule of Fees and Charges will become effective on July 1st of each year.

SECTION 6. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or their applicability to other persons or circumstances.

SECTION 7. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED AND ADOPTED this 26th day of March 2024, by the following vote:

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
1	Permit Issuance Fee	\$61.59	
2	MECHANICAL PERMIT FEES		
3	For issuing each permit	\$61.59	
4	For the installation, alteration, or relocation of each refrigeration compressor or absorption unit, and for each fuel burning furnace, heater, boiler and vented decorative appliance including vents attached thereto:		
5	Up to and including 100,000 BTU	\$60.57	
6	More than 100,000 BTU and up to and including 500,000 BTU	\$116.69	
7	More than 500,000 BTU	\$292.25	
8	For each air inlet and air outlet served by any air-conditioning system	\$9.41	
9	Or when the number of air inlets and outlets are unknown, for each 1,000 square feet or fraction thereof of conditioned area	\$82.98	
10	NOTE: An air-conditioned system includes heating and/or cooling.		
11	For the installation, relocation or replacement of each appliance vent installed and not included in a appliance permit. VAV (variable air volume) Boxes	\$28.74	
12	For the installation or alteration of each air handling unit for air conditioning including ducts attached thereto:		
13	Up to and including 2,000 CFM		
14	Each unit up to 10	\$28.74	
15	Each unit over 10	\$8.89	
16	More than 2,000 CFM and up to and including 10,000 CFM, each	\$86.92	
17	More than 10,000 CFM, each	\$146.12	
18	NOTE: This fee shall not apply to an air handling unit which is a portion of a factory assembled air-conditioning appliance for which a permit is required elsewhere in this Code.		
19	For each evaporative cooler other than portable type	\$48.94	
20	For ventilation fans which serve a single register:		
21	Each fan up to 10	\$35.76	
22	Each fan over 10	\$12.49	
23	For each ventilation system which is not a portion of any air-conditioning system for which a permit is required elsewhere in this Code.	\$75.64	
24	For the installation of each commercial kitchen hood, spray booth or product conveying duct system, including the fans and ducts attached thereto	\$146.12	
25	For the installation of each fire damper	\$23.61	
26	For the alteration of an existing duct system for which a permit is not required elsewhere in this Code.	\$60.57	
27	Investigation fee for work done without a required permit shall be equal to the permit fee, but not less than:	\$751.49	
28	Exception: 1 or 2 family dwellings, when work is performed by owner-builder:	\$375.75	
29	NOTE: These fees are charged in addition to the permit fee work done.		
30	Noncompliance fee for R-3 occupancies:	\$225.69	
31	Noncompliance fee for other occupancies:	\$451.72	
32	Alternate material fee (Initial Filing Fee)	\$488.66	
33	Per hour	\$244.33	
34	NOTE 1.For a refrigeration system rating; one horsepower, one ton or 12,000 BTU per hour shall mean the same quantity. 2.For steam boilers rated in boiler horsepower; one horsepower shall equal 50,000 BTU per hour.		
35	MECHANICAL PLAN CHECK FEES		
36	The Mechanical Code requires plan check fees to be paid at the time of submitting plans and specifications for:		
37	Installations where the aggregate BTU input capacity for either comfort heating or comfort cooling is more than 500,000 BTU. Plans shall detail all the mechanical systems proposed, including comfort heating and comfort cooling systems, refrigeration systems and ventilation systems and hoods. The plan check fee of the required mechanical permit fee shall be	50%	
38	EXCEPTION: Identical appliances of 100,000 BTU or less, installed in a single building; Up to and including 10, (shall be 50% of permit fee)	50%

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
39	For each appliance over 10, (an additional 5% of its permit fee)	5%	
40	If any of the following systems is included in the work proposed, a surcharge shall be collected for each of these systems as follows:		
41	(i) A commercial type I or II hood	\$375.75	
42	(ii)Garage ventilation systems	\$375.75	
43	(iii)Stairs pressurization systems	\$375.75	
44	(iv)Product conveying systems	\$375.75	
45	The minimum plan checking fee (including all surcharges) shall be	\$244.33	
46	installations of the following individual systems:		
47	(i) A commercial type I or II hood	\$564.14	
48	(ii)Garage ventilation systems	\$564.14	
49	(iii)Stairs pressurization systems	\$564.14	
50	(iv)Product conveying systems	\$564.14	
51	Tenant improvement installations requiring review to verify compliance with the		
52	State's Energy Regulations, when a building permit is not required for that work, of conditioned space, the fee shall be per 1,000 sq. ft.	\$60.57	
53	With a minimum fee of	\$122.51	
54	In addition to the aforementioned fees, the Chief Mechanical Inspector may require additional charges for plan check services beyond the initial and second check when such additional work is due to changes, omissions, or errors on the part of the plan check applicant. (Fees shall be charged per hour)	\$244.33	
55	The payment of said charges shall not exempt any person from compliance with other provisions of this Code.		
56	PLUMBING PERMIT FEES		
57	Table No. I		
58	For issuing each permit	\$61.59	
59	For each plumbing fixture or trap or set of fixtures on one trap (including drainage, vent, water piping and backflow prevention devices therefor), (hose bibbs are considered fixtures)	\$36.45	
60	For each permanent-type dishwasher whether individually trapped or not	\$36.45	
61	For future stacks or branches, each waste inlet	\$19.85	
62	For each roof drain	\$36.45	
63	For each drainage or sewer backwater valve	\$104.54	
64	For each industrial waste pretreatment interceptor, including its trap and vent, excepting kitchen-type grease interceptors functioning as fixture traps	\$36.45	
65	For each swimming pool drainage trap and receptor, whether connected to a building drain or a building sewer (water supply for pool not included)	\$36.45	
66	For each gas piping system on any one meter or alteration, extension or retest of existing gas piping system: Low pressure system:		
67	5 outlets or less	\$36.45	
68	For each additional outlet over five	\$9.24	
69	Medium or high pressure system:		
70	Each system	\$149.89	
71	Additional fee for each outlet	\$9.24	
72	For each gas meter not under control and maintenance of the serving gas supplier	\$36.45	
73	For each gas pressure regulator other than appliance regulators	\$36.45	
74	For each water heater and/or vent	\$36.45	
75	For repair or alteration of drainage and/or vent piping, each fixture	\$36.45	
76	For each piece of water-treating equipment	\$36.45	
77	For each water pressure regulator	\$36.45	
78	For potable water not covered elsewhere in fee schedule:		
79	1-1/2 inch and smaller	\$36.45	
80	2 inches to 3 inches	\$113.11

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
81	Over 3 inches	\$244.33	
82	For replacing water piping in a building (1) each fixture, each water treating device and each piece of water-using or dispensing equipment, or (2) each branch or riser that has none of the above items connected thereto	\$15.06	
83	For sprinkling systems on any one meter, each backflow prevention device therefor	\$36.45	
84	For each backflow-prevention device on unprotected water supplies, pools, tanks, vats, etc. (including incidental water piping)	\$36.45	
85	For each trap primer	\$36.45	
86	For each solar potable water-heating system, including water heater and vent	\$121.82	
87	Investigation fee for work done without a required permit shall be equal to the permit fee, but not less than	\$751.49	
88	Exception: 1 or 2 family dwellings, when work is performed by owner-builder	\$375.75	
89	Noncompliance fee:		
90	R-3 occupancies	\$225.69	
91	Other occupancies	\$451.72	
92	Alternate material fee	\$488.66	
93	per hour	\$244.33	
94	Table No. II		
95	For issuing each permit	\$61.59	
96	For the connection of a house sewer to a public sewer, or for the extension of a house lateral onto a lot for future use (separate permit required for each such connection or extension)	\$104.54	
97	For each house sewer manhole	\$104.54	
98	For each installation of a section of house sewer for future use	\$67.58	
99	For the connection of each additional building or additional work to a house sewer	\$67.58	
100	For the connection of a house sewer to a private sewage disposal system	\$67.58	
101	For each private sewage disposal system (septic tank and seepage pits or pits and/or drainfield)	\$214.73	
102	For each grey water system (storage tanks and disposal/irrigation fields)	\$214.73	
103	For each cesspool, overflow seepage pit, percolation test pit, swimming pool drywell, or drainfield extension or replacement	\$104.54	
104	For disconnection, abandonment, alteration or repair of any house sewer or private sewage disposal system or part thereof	\$67.58	
105	PLUMBING PLAN CHECKING		
106	(a) A plan checking fee as indicated shall be paid to the Chief Plumbing Inspector at the time of submitting plans and specifications for work described in this subsection. Said fee shall be equal to 40% of the required plumbing permit fee as set forth in Table I in this Article.	40% of Permit	
107	All plumbing systems proposed shall be submitted for review when a project (building or premises) taken as a whole has any of the following:		
108	1. More than 216 waste fixture units;		
109	2. Potable water supply piping required to be 2" or larger; or		
110	3. Fuel gas piping required to be 2" or larger or containing medium or high pressure gas.		
111	If any of the following systems is included in the work proposed, a surcharge shall be collected for each of these systems as follows:		
112	Combination waste and vent system	\$375.75	
113	Gas system containing an earthquake actuated shut-off valve	\$131.24	
114	Chemical waste system	\$74.78	
115	Rainwater system	\$244.33	
116	The minimum plan checking fee (including all surcharges) shall be	\$244.33	
117	For plan checking individual systems not required to be reviewed under Subsection (a) above:		
118	1. Combination waste and vent systems	\$564.14	
119	2. Gas system containing an earthquake actuated shut-off valve	\$187.70	
120	3. Chemical waste system	\$113.11	
121	4. Rainwater system	\$375.75	
122	5. Grey water system	\$214.73	
123	In addition to the aforementioned fees, the Chief Plumbing Inspector may require additional charges for plan check services beyond the initial and second check when such additional work is due to changes, omissions or errors on the part of the plan check applicant. Fees shall be charged per hour.	\$244.33	
124	The payment of said fees shall not exempt any person from compliance with other provisions of this Code.

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
125	ELECTRICAL PERMIT FEES		
126	For the issuance of each permit	\$61.59	
127	SYSTEM FEE SCHEDULE Note: The following do not include permit issuing fee.		
	New Residential Buildings		
128	The following fees shall include all wiring and electrical equipment in or on each building, or other electrical equipment on the same premises constructed at the same time. For new multifamily residential buildings (apartments and condominiums) having three (3) or more living units not including garages, carports, and other noncommercial automobile storage areas constructed at the same time, per square foot.	\$0.17	
129	For garages, carports, and other accessory buildings used in conjunction with multi-family residential buildings use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE. For new single and two-family residential buildings not including garages, carports and other minor accessory buildings constructed at the same time, per square foot.	\$0.35	
130	For garages, carports, and other minor accessory buildings constructed at the same time as the single or two-family residential buildings a fee will not be required. For other types of residential occupancies and alterations, additions and modifications to existing residential buildings, use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE.		
	Private Swimming Pools		
131	For new private, residential, inground swimming pools for single, or multifamily occupancies, including a complete system of necessary branch circuit wiring, bonding, grounding, underwater lighting, water pumping and other similar electrical equipment directly related to the operation of a swimming pool, each	\$181.02	
132	For other types of swimming pools, therapeutic whirlpools, spas, hot tubs and alterations to existing swimming pools, each	\$121.82	
133	Carnivals and Circuses		
134	Carnivals, circuses or other traveling shows or exhibitions utilizing transportable-type rides, booths, displays and attractions.		
135	For electric generators and electrically driven rides each	\$86.92	
136	For mechanically driven rides and walk-through attractions or displays having electric lighting, each	\$36.45	
137	For a system of area and booth lighting, each	\$36.45	
138	For permanently installed rides, booth, displays, and attractions, use UNIT FEE SCHEDULE		
	Temporary Power Service		
139	For a temporary service power pole or pedestal, including all pole or pedestal mounted receptacle outlets and appurtenances, each	\$97.37	
140	For a temporary distribution system and temporary lighting and receptacle outlets for construction sites, decorative lighting, Christmas tree sales lots, firework stands, sales booths, additional pole, etc., each	\$47.73	
141	BRANCH CIRCUIT FEE SCHEDULE (Alternate to Unit Fees)		
142	Note: 1. The following do not include permit issuing fees; 2. Where appropriate either fee schedule may be used. Branch circuit fees apply to new branch circuit wiring and the lighting fixtures, switches and receptacles which are supplied by these branch circuits, including their outlets. For 15 or 20 ampere 120 volt lighting or general use receptacles:		
143	1 to 10 branch circuits inclusive, each	\$38.68	
144	11 to 40 branch circuits inclusive, each	\$32.18	
145	41 or more branch circuits, each	\$28.74	
146	For 15 or 20 ampere 208 volt to 277 volt lighting, each	\$60.92	
147	Exception: An individual multiwire circuit supplying one appliance may be counted as one circuit.		
148	UNIT FEE SCHEDULE (Alternate to Branch Circuit Fees)

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
149	Receptacle, Switch, Lighting, or other For receptacle, switch, lighting, or other outlets at which current is used or controlled except services, feeders and meters:		
150	First 20, each	\$4.79	
151	Additional outlets, each	\$3.25	
152	Note: For multi-outlet assemblies, each five feet or fraction thereof may be considered as one outlet.		
153	Lighting Fixtures For lighting fixtures, sockets, or other lamp holding devices:		
154	First 20, each	\$4.79	
155	Additional fixtures, each	\$3.25	
156	For pole or platform mounted lighting fixtures, each	\$5.64	
157	For theatrical-type lighting fixtures or assemblies, each	\$5.64	
158	Residential Appliances of Three Horsepower or Less		
159	For fixed residential appliances or receptacle outlets for same, including wall-mounted electric ovens, counter-mounted cooking tops, electric ranges, self-contained room, console, or through-wall air conditioners, space heaters, food waste grinders, dishwashers, washing machines, water heaters, clothes dryers, or other motor-operated appliances, not exceeding three (3) horsepower (HP) in rating, each	\$23.78	
160	Note: For other types of air conditioners and other motor-driven appliances having larger electrical ratings, see Power Apparatus.		
161	Other Appliances of Three Horsepower or Less For any appliance installed in a non-residential occupancy and not exceeding three (3) horsepower (HP), Kilowatt (KW), or kilovolt-ampere (KVA) in rating, including medical and dental devices, food, beverage, and ice cream cabinets, illuminated showcases, drinking fountains, vending machines, laundry machines, or other similar types of equipment, each	\$34.57	
162	Note: 1. As used in the above sentence, "non-residential occupancy" includes but is not limited to hotels and motels but excludes apartments and single-family dwellings.		
163	2. For other types of air conditioners and other motor-driven appliances having larger electrical ratings, see Power Apparatus.		
164	Power Apparatus		
165	For motors, generators, transformers, rectifiers, synchronous converters, capacitors, industrial heating, air conditioners and heat pumps, cooking or baking equipment, and other apparatus, with a rating in horsepower (HP) kilowatts (KW), kilovolt amperes (KVA), or kilovolt-amperes-reactive (KVAR) as follows:		
166	Rating over 3 and not over 10, each	\$44.48	
167	Rating over 10 and not over 50, each	\$102.83	
168	Rating over 50 and not over 100, each	\$192.32	
169	Rating over 100, each	\$317.91	
170	Note: 1. For equipment or appliances having more than one motor, transformer, heater, etc., the sum of the combined ratings may be used. 2. These fees include all switches, circuit breakers, contactors, thermostats, relays and other directly related control equipment.		
171	Busways		
172	For cable trays, trolley and plug-in type busways each 100 feet or fraction thereof	\$58.53	
173	Note: An additional fee will be required for lighting fixtures, motors and other appliances that are connected to trolley and plug-in type busways. No fee is required for portable tools.		
174	Signs, Outline Lighting, and Marquees For signs, outline lighting systems, or marquees supplied from one branch circuit, each	\$86.92	
175	For additional branch circuits within the same sign, outline lighting system, or marquee, each	\$28.74	
176	Services, Switchboards, Switchboard Sections, Motor Control Centers and Panelboards For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less and not over 399 amperes in rating, each	\$86.92	
177	For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less, and over 399 amperes to 1,000 amperes in rating, each	\$170.25	
178	For services, switchboards, switchboard sections, motor control centers and panelboards over 600 volts, or over 1,000 amperes in rating, each	\$362.41	
179	Miscellaneous Apparatus, Conduits and Conductors

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
180	For electrical apparatus, conduits and conductors for which a permit is required but for which no fee is herein set forth	\$145.96	
181	Note: This fee is not applicable when a fee is paid for one or more services, outlets, fixtures, appliances, power apparatus, busways, signs or other equipment.		
182	OTHER ELECTRICAL INSPECTIONS AND FEES		
183	For each extra inspection resulting from defective workmanship or materials, each For inspection of electrical equipment for which not fee is herein set forth and for emergency inspections for the time consumed	\$73.92	
185	or, for each hour, or fraction thereof	\$244.33	
186	For any single hazardous location area larger than 2,000 sq. ft. or an aggregate area consisting of smaller hazardous location areas totaling over 2,000 sq. ft., a surcharge in addition to any other applicable fees, each	\$488.33	
187	For investigation of alternate materials and methods of Construction		
188	For the Initial filing fee	\$488.66	
189	For each hour or fraction thereof, in excess of two	\$244.33	
190	For investigation and review of test reports from local testing laboratories, or to comply with Section 83-3.		
191	For one (1) to ten (10) items	\$564.14	
192	For eleven (11) to twenty (20) items	\$1,127.58	
193	For twenty-one (21) to fifty (50) items	\$1,691.71	
194	For more than fifty (50) items	\$1,880.11	
195	For high voltage switch gears, transformers or substations, each	\$1,127.58	
196	Investigation fee for work without a permit shall be equal to the permit fee, but not less than	\$751.49	
197	Exception: One and two family structure, wired by owner-builder	\$375.75	
198	Noncompliance Fee:		
199	For one and two family dwelling occupancies	\$225.69	
200	For other occupancies	\$451.72	
201	ELECTRICAL PLAN CHECKING		
202	The fee shall be equal to seventy percent (70%) of the required electrical permit fee provided, however, the minimum fee shall be:	\$244.33	
203	The fee for each tenant improvement plan check (installations requiring review to verify compliance with the State's Electrical Energy Conservation requirements (Title 24), when a building plan check is not required for that work, the fee shall be as follows:		
204	Per 1,000 sq. ft. or	\$30.46	
205	A minimum plan check fee of	\$122.51	
206	For additional review required by complexity of plans, or revisions of approved plans or reports, or for services beyond the first and second plan check, due to changes, errors, or omissions, per hour	\$244.33	
207	LANDSCAPE PERMIT AND PLAN CHECKING FEES		
208	Permit Issuance Fee	\$61.59	
209	OTHER FEES		
210	Permit Issuance Fee - to be paid in addition to the fees set forth below	\$61.59	
211	For site inspection not otherwise covered herein by a fee and which is regulated by the Building Code.	\$940.05	
212	For inspection of any use, occupancy or change in use or occupancy		
213	Group R or U Occupancy	\$487.99	
214	Occupancy groups other than R and U		
215	Affected floor area of up to 5,000 square feet	\$1,202.70	
216	Affected floor area of 5,001 to 10,000 square feet	\$1,447.38	
217	Affected floor area of 10,001 to 100,000 square feet	\$2,406.24	
218	Affected floor area of above 100,001 square feet	\$3,647.11	
219	For inspection of the repair or rehabilitation of a building or structure declared substandard by notice, the fee shall be based on the valuation	\$364.80	
	For inspection of the demolition (including sewage system termination) of a building or structure		
220	For inspection of reinspection of Group A, Division 4, structures each	\$487.99	
221	For inspection of structures or devices regulated by Chapter 66, the first inspection of the first structure or device	\$364.80	
222	and, for each additional structure or device.	\$58.60	
223	For application and investigation for relocation building permits as required by Chapter 68:		
224	Floor Area: Up to 2,500 square feet	\$971.70	
225	Floor Area: Over 2,500 square feet	\$1,943.75

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
226	For investigation and/or permit for trailer coaches required by Chapter 69	\$361.37	
227	For inspection outside of normal business hours, per hour	\$219.02	
228	For inspection for which no fee is specifically indicated, per hour	\$219.02	
229	For inspection of barriers for swimming pools, spas and hot tubs	\$205.49	
230	For search of office records and a single copy of a permit	\$6.67	
231	For each hour expended responding to public records requests which do not reasonably describe identifiable records	\$76.66	
232	For Approval in Concept review pursuant to the 1976 Coastal Act (section 30,000 et seq. Public Resources Code)	\$290.71	
233	For geotechnical site review and processing geology or engineering reports submitted pursuant to Sections 110, 111, 113, 1804 and Appendix Section 3309:		
234	Geotechnical review of building plans and geotechnical reports		
235	Geotechnical site review (to determine if geotechnical reports are required)	\$920.71	
236	Geotechnical report, site, and plans review (review of initial and two addenda reports) The fee shall be 0.42% of the valuation of the proposed structure		
237	However, the minimum fee shall be	\$2,271.24	
238	and the maximum fee shall be	\$14,642.83	
239	Review of Geotechnical addenda beyond third review (per hour)	\$377.11	
240	Geotechnical site inspections and geotechnical report review PRIOR to building permit application Geotechnical site review (to determine if geotechnical reports are required)	\$920.37	
241	Geotechnical report and plan review prior to building permit application (per review)	\$1,823.46	
242	Geotechnical review of grading plans:		
243	1 - 1,000 cubic yards	\$1,503.15	
244	1,001 - 10,000 cubic yards	\$2,009.45	
245	10,001 - 100,000 cubic yards	\$2,738.88	
246	100,001 - 500,000 cubic yards	\$3,600.91	
247	5001,001 cubic yards and above the fee shall be	\$3,600.91	
248	plus/100,000 cubic yards of additional grading	\$225.01	
249	Geotechnical report and grading plan review (review of initial & two addenda 1 - 1,000 cubic yards	\$3,150.38	
250	1,001 - 10,000 cubic yards	\$4,724.21	
251	10,001 - 100,000 cubic yards	\$5,735.43	
252	100,001 - 500,000 cubic yards	\$7,872.03	
253	5001,001 cubic yards and above the fee shall be	\$7,872.03	
254	plus/100,000 cubic yards of additional grading	\$337.94	
255	Review of Geotechnical addenda beyond third review (per hour)	\$377.11	
256	For processing Coastal Engineering Reports	\$864.93	
257	For determining occupant load for purposes of parking requirements pursuant to Title 22 (Zoning Ordinance)	\$244.33	
258	Reproduction of microfilmed plans	\$69.30	
259	plus additional fee for each sheet to be reproduced	\$6.67	
260	Assignment of house numbers	\$120.45	
261	For additional review required by changes, addition, or revisions of approved or resubmitted plans or reports, per hour	\$244.33	
262	For additional review required beyond the initial and second check of plans or reports, per hour	\$244.33	
263	For the issuance of a Certificate of Occupancy	\$225.69	
264	For the issuance of a Temporary Certificate of Occupancy	\$338.96	
265	For each extension of a Temporary Certificate of Occupancy	\$225.69	
266	For processing of 45-day notice pursuant to Section 103.4	\$985.74	
267	For processing and recording a Notice of Violation pursuant to Section 103.4	\$783.49	
268	For processing and recording a Rescission of Notice of Violation pursuant to Section 103.4	\$673.98	
269	For investigation of alternate materials and methods of construction. For the initial filing fee	\$488.66	
270	For each hour or fraction thereof, in excess of two	\$244.33	
271	Preliminary plan review for conceptual approval, code application/interpretation prior 15 minutes or less) to submittal of permit application (two staff-hour minimum) (Exception: no fee for	\$488.66

*City of La Puente Youth League Organizations (La Puente National Little League, La Puente Girls Softball Association, and Jr. All-American Football) will be charged a 1/3 rate of \$25.00 during the weekdays and \$35.00 during the weekends and consist of 51% City of La Puente residents. All other non-profit organizations will be charged the full rate.

Stage Package 1 (Platinum Details)

- Exclusive Stage use
- Line Speakers
- Bass cabinets
- FOH Amplifiers (6000Watts)
- All Speaker cabling
- 2 X Stage 50' "Snakes" (for stage connections)
- Dual Yamaha DX3 digital mixers (combined for 32 channels) – iPad app controllable

Stage Package 2 (Gold Details)

- Exclusive Stage use
- Line Speakers
- Bass cabinets
- FOH Amplifiers (6000Watts)
- All Speaker cabling

Microphone Details

- Shure SM58 vocal microphone
- 25 foot XLR Microphone cable
- Standard Microphone stand

Executive Summary

The City of La Puente engaged Willdan Financial Services (Willdan) to determine the full costs incurred by the City to support the various activities for which the City charges user fees. Due to the complexity and the breadth of performing a comprehensive review of fees, Willdan employed a variety of fee methodologies to identify the full costs of individual fee and program activities. This report and the appendices herein identify 100% full cost recovery for City services. **Appendix C** details the full cost and suggested fees as determined through discussion with departmental staff. The recommended fees identified herein are either at or less than full cost recovery.

User Fee Background

Background

As part of a general cost recovery strategy, local governments adopt user fees to fund programs and services that provide limited or no direct benefit to the community as a whole (“User Fees”). As cities struggle to maintain levels of service and variability of demand, they have become increasingly aware of subsidies provided by the General Fund and have implemented cost-recovery targets. To the extent that governments use general tax monies to provide individuals with private benefits, and not require them to pay the full cost of the service (and, therefore, receive a subsidy), the government is limiting funds that may be available to provide other community-wide benefits. In effect, the government is using community funds to pay for private benefits. Unlike most revenue sources, cities have more control over the level of user fees they charge to recover costs, or the subsidies they can institute.

Fees in California are required to conform to the statutory requirements of the California Constitution, Proposition 218, Proposition 26, and the California Code of Regulations. The Code also requires that the City Council adopt fees by either ordinance or resolution, and that any fees in excess of the estimated total cost of rendering the related services must be approved by a popular vote of two-thirds of those electors voting because the charge would be considered a tax and not a fee. There are no fees suggested to be set above the cost of service and as such a public vote is not required.

California User Fee History

Before Proposition 13, in times of fiscal shortages, California cities were able to raise property taxes, which funded everything from police and recreation to development-related services. However, this situation changed with the passage of Proposition 13 in 1978.

Proposition 13 established the era of revenue limitation in California local government. In subsequent years, the state saw a series of additional limitations to local government revenues. Proposition 4 (1979) defined the difference between a tax and a fee: a fee can be no greater than the cost of providing the service; and Proposition 218 (1996) further limited the imposition of taxes for certain classes of fees. As a result, cities were required to secure a supermajority vote in order to enact or increase taxes. Due to the thresholds needed to increase local taxes, cities have less control and very few successful options for new revenues. The State of California took a series of actions in the 1990’s and 2000’s to improve the State’s fiscal situation, at the expense of local governments. In 2004-05, the Educational Revenue Augmentation Funds (“ERAF”) take-away of property taxes and the reduction of Vehicle License Fees further reduced local tax revenues.

In addition, on November 2, 2010, California voters approved Proposition 26, the “Stop Hidden Taxes Initiative”, which is aimed at defining “regulatory fees” as a special tax rather than a fee, thus requiring approval by two-thirds vote of local voters. These regulatory fees are typically intended to mitigate the societal and environmental impacts of a business or person’s activities. Proposition 26 contains seven categories of exceptions. The fees analyzed as part of a User Fee study typically fall under categories one through five consisting of charges for specific benefits, government service, regulatory need, for use of government property, or a fine/penalty.

Additional Policy Considerations

State regulations require that municipalities update their fee schedules to reflect the actual costs of certain public services primarily benefiting users. User Fees recover costs associated with the provision of specific services benefiting the user, thereby typically reducing the use of General Fund monies for such purposes.

In addition to collecting the direct cost of labor and materials associated with processing and administering user services, it is common for local governments to recover reasonable support costs. Support costs are those costs relating to a local government's central service departments that are allocable to the local government's operating departments. Central services support cost allocations were incorporated using the resulting indirect overhead percentages determined through the City's Cost Allocation Plan. A Cost Allocation Plan identifies the central service functions of the City such as Finance, City Manager, and Human Resources and allocates their cost to the departments and funds of the City that they support. This plan was used in the User Fee study to account for the burden placed upon central services by the operating departments in order to allocate a proportionate share of central service cost through the study.

As labor effort and costs associated with the provision of services fluctuate over time, a significant element in the development of any fee schedule is that it has the flexibility to remain current. Therefore, it is recommended that the City include an inflationary factor in the resolution adopting the fee schedule to allow the City to annually increase or decrease the fees by changes in a pre-approved inflationary index, as described below. However, such inflationary increases shall not exceed the reasonable estimated cost of providing the services each year.

The City may employ many different inflationary factors. The most commonly used inflator is some form of the Consumer Price Index (CPI) as it is widely well known and accepted. A similar inflator is the implicit price deflator for GDP, which is much like the CPI except that while the CPI is based on the same "basket" of goods and services every year, the price deflators' "basket" can change year to year. Since the primary factor for the cost of a City's services is usually the costs of the personnel involved, tying an inflationary factor that connects more directly to the personnel costs can also be suitable if there is a clear method, or current practice of obtaining said factor.

Each City should use an inflator that they believe works the best for their specific situation and needs but cannot rely solely on the CPI increase as it is incumbent upon each agency to ensure the amount of the fees charged does not exceeds the reasonable estimated costs of providing the services. It is also recommended that the City perform this internal review annually with a comprehensive review of services and fees performed every five years, which would include adding, amending, or removing fees for programs/services.

Study Objective

As the City of La Puente seeks to efficiently manage limited resources and adequately respond to increased service demands, it needs a variety of tools. A User Fee Study provides assurance that the City has the best information and the best resources available to make sound decisions, fairly and legitimately set fees, maintain compliance with state law and local policies, and meet the needs of the City administration and its constituency. Given the limitations on raising revenue in local government, the City recognizes that a User Fee Study is a very cost-effective way to understand the total cost of services and identify potential fee deficiencies. Essentially, a User Fee is a payment for a requested service provided by a local government that primarily benefits an individual or group.

The total cost of each service included in this analysis is based on the full cost of providing City services, including direct salaries and benefits of City staff, direct departmental costs, and indirect costs from central service support. This study determines the full cost recovery fee for the City to provide each service; however, each fee is set at the City's discretion, up to 100% of the total cost, as specified in this report.

The principal goal of the study was to help the City determine the full cost of the services that the City provides. In addition, Willdan established a series of additional objectives including:

- Developing a rational basis for setting fees
- Identifying subsidy amount, if applicable, of each fee in the model
- Ensuring compliance with State law
- Developing an updatable and comprehensive list of fees
- Maintaining accordance with City policies and goals

The study results will help the City better understand its true costs of providing services and may serve as a basis for making informed policy decisions regarding the most appropriate fees, if any, to collect from individuals and organizations that require individualized services from the City.

Scope of the Study

The scope of this study encompasses a review and calculation of the user fees charged by the following La Puente departments and fee groups:

- Animal Control
- Administration
- City Clerk
- Code Enforcement / Parking
- Public Safety
- Planning
- Building
- Engineering
- Recreation Services

The study involved the identification of existing and potential new fees, fee schedule restructuring, data collection and analysis, orientation and consultation, quality control, communication and presentations, and calculation of individual service costs (fees) or program cost recovery levels.

Aim of the Report

The User Fee Study focused on the cost of City services, as City staff currently provide them at existing, known, or reasonably anticipated service and staff level needs. This report provides a summary of the study results, and a general description of the approach and methods Willdan and City staff used to determine the recommended fee schedule. The report is not intended to document all of the numerous discussions throughout the process, nor is it intended to provide an influential dissertation on the qualities of the utilized tools, techniques, or alternative approaches.

Project Approach and Methodology

Conceptual Approach

The basic concept of a User Fee Study is to determine the “reasonable cost” of each service provided by the City for which it charges a user fee. The full cost of providing a service may not necessarily become the City’s fee, but it serves as the objective basis as to the maximum amount that may be collected.

The standard fee limitation established in California law for such fees is the “estimated, reasonable cost” principle. In order to maintain compliance with the letter and spirit of this standard, every component of the fee study process included a related review. The use of budget figures, time estimates, and improvement valuation clearly indicates reliance upon estimates for some data.

Fully Burdened Hourly Rates

The total cost of each service included in this analysis is primarily based on the Fully Burdened Hourly Rates (FBHRs) that were determined for City personnel directly involved in providing services. The FBHRs include not only personnel salary and benefits (see [Appendix B](#)), but also any costs that are reasonably ascribable to personnel. The cost elements that are included in the calculation of fully burdened rates are:

- Salaries & benefits of personnel involved
- Operating costs applicable to fee operations
- Departmental support, supervision, and administration overhead
- Central service overhead costs allocated through the Cost Allocation Plan (see [Appendix D](#))

An important factor in determining the fully burdened rate is in the calculation of productive hours for personnel. This calculation takes the available workable hours in a year of 2,080 and adjusts this figure to 1,650 productive or billable hours to account for calculated or anticipated hours’ employees are involved in non-billable activities such as paid vacation, sick leave, holidays, and other considerations as necessary. Dividing the full cost, including overhead, of a position by the number of productive hours provides the FBHR.

The FBHRs are then used in conjunction with time estimates, when appropriate for how a service is provided, to calculate a fee’s cost based on the personnel and the amount of their time that is involved in providing each service.

Summary Steps of the Study

The process of the study is straightforward and simple in concept. The following list provides a summary of the study process steps:

Allowable Costs

This report identifies three types of costs that, when combined, constitute the fully burdened cost of a service (**Appendix A**). Costs are defined as direct labor, including salary and benefits, departmental overhead costs, and the City's central services overhead, where departmental and central service overhead costs constitute support costs. These cost types are defined as follows:

- **Direct Labor (Personnel Costs):** The costs related to staff salaries for time spent directly on fee-related services.
- **Departmental Overhead:** A proportional allocation of departmental overhead costs, including operation costs such as supplies and materials that are necessary for the department to function.
- **Central Services Overhead:** These costs, as provided via the City's Cost Allocation Plan, represent services provided by those Central Services Departments whose primary function is to support other City departments (see **Appendix D**).

Methodology

The two methods of analysis for calculating fees used in this report are the:

Case Study Method (Standard Unit Cost Build-Up Approach): This approach estimates the actual labor and material costs associated with providing a unit of service to a single user. This analysis is suitable when City staff time requirements do not vary dramatically for a service, or for special projects where the time and cost requirements are easy to identify at the project's outset. Further, the method is effective in instances when a staff member from one department assists on an application, service or permit for another department on an as-needed basis. Costs are estimated based upon interviews with City staff regarding the time typically spent on tasks, a review of available records, and a time and materials analysis.

Program Cost Approach: In some instances, the underlying data is not available or varies widely, leaving a standard unit cost build-up approach impractical. In addition, market factors and policy concerns (as opposed to actual costs) tend to influence rental based fee levels more than other types of services. Willdan employed a different methodology where appropriate to fit a programs' needs and goals. Typical programmatic approach cases are valuation-based fees, Recreation programs, and instances where a program cost is divided over the user base to obtain a per applicant cost for shared cost services.

Quality Control/Quality Assurance

All study components are interrelated, thus flawed data at any step in the process will cause the ultimate results to be inconsistent and unsound. The elements of our Quality Control process for User Fee calculations include:

- Involvement of knowledgeable City staff
- Clear instructions and guidance to City staff
- Reasonableness tests and validation
- Internal and external reviews
- Cross-checking

Reasons for cost increases/decreases over current fees

Within the fee tables in **Appendix C**, the differences are identified between the full costs calculated through the study and the fee levels currently in effect. The reasons for differences between the two can arise from a number of possible factors including:

- Previous fee levels may have been set at levels less than full cost intentionally, based on policy decisions
- Position staffing levels, seniority, and the positions that complete fee and service activity may vary from when the previous costs were calculated
- Personnel and materials costs could have increased at levels that differed from any inflationary factors used to increase fees since the last study
- Changes in processes and procedures within a department, or the City as a whole

-
- Changes in the demand for services in a City may have also changed the staffing or cost structure of departments over time

City Staff Contributions

As part of the study process, Willdan received tremendous support and cooperation from City staff, which contributed and reviewed a variety of components to the study, including:

- Budget and other cost data
- Staffing structures
- Fee and service structures, organization, and descriptions
- Direct work hours (billable/non-billable)
- Time estimates to complete work tasks
- Review of draft results and other documentation

A User Fee Study requires significant involvement of the managers and line staff from the departments on top of their existing workloads and competing priorities. The contributions from City staff were critical to this study. We would like to express our appreciation to the City and its staff for their assistance, professionalism, positive attitudes, helpful suggestions, responsiveness, and overall cooperation.

La Puente User Fees

Cost Recovery

The cost recovery models, by department/division fee type, are presented in detail in [Appendix C](#). Full cost recovery is determined by summing the estimated amount of time each position (in increments of minutes or hours) spends to render a service. Time estimates for each service rendered were obtained through interviews conducted with City staff for each department/division fee included in the study. The resulting cost recovery amount represents the total cost of providing each service. The City's current fee being charged for each service, if applicable, is provided in this section, as well, for reference.

It is important to note that the time data used to determine the amount of time each employee spends assisting in the provision of the services listed on the fee schedule is essential in identifying the total cost of providing each service and will differ from City to City depending on staffing, positions involved, experience of staff, the use of consultants, and the policies and procedures in place for each City. Specifically, in providing services, a number of employees are often involved in various aspects of the process, spending anywhere from a few minutes to several hours on the service.

The primary goal of this study was to identify the cost of City services, to provide information to help the City make informed decisions regarding the actual fee levels and charges. The responsibility of determining the final fee levels is a complicated task. City staff must consider many issues in formulating recommendations, and the City Council must consider those same issues and more in making the final decisions.

City staff assumes the responsibility to develop specific fee level recommendations to present to the City Council. Unfortunately, there are no hard and fast rules to guide the City, since many of the considerations are based on the unique characteristics of the City of La Puente, and administrative and political discretion. However, in setting the level of full cost recovery for each fee, one should consider whether the service solely benefits one end user or the general community.

Subsidization

Recalling the definition of a user fee helps guide decisions regarding subsidization. The general standard is that individuals (or groups) who receive a wholly private benefit should pay 100% of the full cost of the services. In contrast, services that are simply public benefit should be funded entirely by the general fund's tax dollars. Unfortunately, for the decision makers, some services fall into the range between these two extremes.

Further complicating the decision, opponents of fees often assert that the activities subject to the fees provide economic, cultural, "quality of life," or other community benefits that exceed the costs to the City, but it is important to distinguish the difference between any purported possible benefits that may be conveyed through the result of activities of the service receiver and the direct benefit being conveyed through the City providing the service to the requestor.

It is recommended the City consider such factors during its deliberations regarding appropriate fee levels.

Of course, subsidization can be an effective public policy tool since it can be used to reduce fees to encourage certain activities (such as to ensure public safety) or allow some people to be able to afford to receive services they otherwise could not at the full cost. In addition, subsidies can be an appropriate and justifiable action, such as to allow citizens to rightfully access services, without overburdensome costs.

Despite the intent, it is important for the City and public to understand that subsidies must be covered by another revenue source, typically the General Fund's other unrestricted funds.

Impact on Demand (Elasticity)

Economic principles of elasticity suggest that increased costs for services (higher fees) will eventually curtail the demand for the services; whereas lower fees may spark an incentive to utilize the services and encourage certain actions. Either of these conditions may be a desirable effect to the City. However, the level of the fees that would cause demand changes is largely unknown. The cost of service study did not attempt to evaluate the economic or behavioral impacts of higher or lower fees; nevertheless, the City should consider the potential impacts of these issues when deciding on fee levels.

Summary

City staff is recommending setting user fees at suggested fee amounts as detailed in [Appendix C](#). City and departmental goals, City Council priorities, policy initiatives, past performance, implementation issues, and other internal and external factors should influence staff recommendations and City Council decisions. In this case, the proper identification of additional services (new or existing services) and the update to a consistent and comprehensive fee schedule were the primary objectives of this study. City staff has reviewed the full costs and identified the recommended fee levels for consideration by City Council.

The following sections provide background for each department, division, and fee group and the results of this study's analysis of their fees. For the full list of each fee's analysis, refer to [Appendix C](#) of this report.

Animal Control

The Animal Services division is a function of the City of La Puente's Code Enforcement operations. Its function is to provide the residents of La Puente with comprehensive Animal Control Services, which includes field patrol and response, enforcement of City codes and state laws, animal transport and deceased animal disposal, recovered animal sheltering, and pet licensing services and enforcement. The department serves as a liaison between residents and affordable veterinary care and educational programs.

Analysis

Willdan individually reviewed the services associated with the Animal Control Services Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

The analysis of the Animal Control services relied primarily upon a standard unit cost build-up approach for fees, excluding penalties, whereby the reasonable cost of each fee occurrence was determined using staff time involved with providing the service to recover the direct cost of staff and the pro-rata share of departmental costs, including indirect costs for City Central Services. Willdan then compared the calculated full cost against the current fee amount to determine, if charged, whether the current fee is recovering the costs associated with the requested service. The analysis found that fees are currently set below the full cost of providing service. The current cost recovery for operations was determined to be an average of 19% annually. One new fee, Animal Relinquish, would be added to the fee schedule. Staff is recommending the fees remain as currently as detailed in [Appendix C](#).

Administration

The Financial Services Division is committed to ensuring prudent financial management of public resources to fulfill the City's mission and citywide priorities. The department accomplishes this objective by providing budgetary oversight. The Director of Administrative Services and Finance Manager ensure compliance with federal, state, and local laws, as well as City regulations and financial policies. The division directs the annual operating and capital budgets, long-term financial planning, financial enterprise systems, citywide cost allocations, investments and treasury, and all audits.

Financial Services manages all accounting and financial reporting, and prepares the Annual Comprehensive Financial Report. The division is also responsible for cashiering, accounts payable, payroll, business license, customer service, and revenue.

Analysis

Willdan individually reviewed the services associated with Administration. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

The services listed under Administration services consist of a few flat cost-based fees, the business license taxes, and others set by the State. The analysis of the cost-based services relied upon a standard unit cost build-up approach, whereby we determined the reasonable cost of each fee occurrence using staff time to recover the direct cost of staff and the pro-rata share of departmental costs, including indirect costs for City central services. Willdan then compared the calculated full cost against the current fee amount to determine, if charged, whether the current fee is recovering the costs associated with the requested service. The analysis found that fees are currently set below the full cost of providing service. It is recommended that the City set Administration fees at the levels detailed in [Appendix C](#). As a result, there would be:

- An increase for 4 fees, and;
- the remaining fees would remain as currently set.

City Clerk

The mission of the City Clerk's office is to provide extraordinary service to the public, City staff and the City Council. Duties of the City Clerk include preparation and posting of meeting agendas and notices; recording the legislative actions of the City Council and City Commissions; and preparing resolutions, ordinances and contracts. The City Clerk maintains records of all City Council activities, property, contracts, resolutions, ordinances and minutes and ensures compliance with the City's records retention policies. The City Clerk administers municipal elections in accordance with State and local requirements; administers oaths of office and acts as the FPPC filing officer. In addition, the City Clerk receives subpoenas, claims against the City and manages and responds to all requests for public records; provides public information services and documents to City Council, City staff and members of the public and maintains the City's Municipal Code.

Analysis

The services included in this section are the City copy fee of \$.10 per page, the oversized document fee charged at actual cost, USB fee would be added, and the candidate filing fee which is regulated at \$25. No cost analysis was done with the City Clerk fees and they are recommended to remain as currently set.

Code Enforcement / Parking

The Code Enforcement Division is responsible for responding to complaints or inquiries regarding possible violations of zoning, land use, public nuisance, and parking ordinances and restrictions. The Division also identifies and initiates proactive enforcement on significant cases. The Division works with individual property owners to craft work programs and deadlines to achieve compliance. Although achieving voluntary compliance is a primary objective, Code Enforcement staff uses citations and abatement orders to motivate compliance if efforts to achieve voluntary compliance are ineffective.

Analysis

Willdan individually reviewed the services associated with the Code Enforcement Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

The analysis of the Code Enforcement services relied primarily upon a standard unit cost build-up approach for fees, excluding penalties, whereby the reasonable cost of each fee occurrence was determined using staff time involved with providing the service to recover the direct cost of staff and the pro-rata share of departmental costs, including indirect costs for City Central Services. Willdan then compared the calculated full cost against the current fee amount to determine, if charged, whether the current fee is recovering the costs associated with the requested service. The analysis found that fees are currently set below the full cost of providing service. Staff is recommending the fees to be adjusted as detailed in [Appendix C](#). As a result, there would be:

- No change to the current Code Enforcement fees,
- 2 new fees would be added,
- An increase of 5% to the Parking Penalty Schedule,
- 1 new fee would be added, and;
- the remaining fees would remain as currently set.

Public Safety

Public Safety is a critical concern of the City. It is the City's endeavor to ensure that residents, business owners and visitors are able to enjoy a safe environment free from crime. The City Manager's Office manages the oversight of the Public Safety budget which includes patrol deployments, station detectives, narcotic detectives, special assignment team, traffic enforcement, motor deputies, gang enforcement, neighborhood and business watch programs, and special event deployment.

The Service Area Sergeant works with the City Manager and is responsible for the oversight of the law enforcement contract and all community policing operations.

Since 1956, the City of La Puente has contracted for policing services with the Los Angeles County Sheriff's Department. Police services are based at the Industry Sheriff's Station. The Special Assignment Team assists patrol deputies and maintains community and intelligence based policing practices with surrounding Sheriff Stations and local police agencies. This specialized team has the resources to provide focused enforcement on areas of concern to the City

Analysis

No cost analysis was done with the only fee on the Public Safety schedule, Vehicle Storage Impound, and it is recommended to remain as currently set.

Planning

The Planning and Zoning Division is tasked with overseeing the City's physical development through the management of land use planning, zoning, and land development activities. The mission for this function is the implementation of the goals and policies established in the City's General Plan and to bring about quality urban design.

Analysis

Willdan individually reviewed the services and programs associated with the Planning Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

The analysis of Planning services relied primarily upon a standard unit cost build-up approach, whereby the reasonable cost of each fee occurrence was determined using staff time involved in providing services to recover the direct cost of staff and the pro-rata share of departmental costs, including indirect costs for City central services. Willdan then compared the calculated full cost against the current fee amount to determine, if charged, whether the current fee is recovering the costs associated with the requested service. The analysis found that the current fees are under funding the cost for most of the services. Staff is recommending the fees to be adjusted as detailed in [Appendix C](#). As a result, there would be:

- An increase to 35 fees;
- 1 fee would decrease;
- 4 new fees would be added;
- 9 fees would remain as currently set, and;
- the average fee change would be an increase of 22% for current fees.

Building

The Building and Safety Services Division ensures the safety and welfare of the public, as well as promoting energy efficiency and a “greener” environment. These goals are achieved by having certified reviewers and inspectors that ensure compliance with the City’s adopted building requirements. Additionally, the Building and Safety Division conducts inspections of substandard properties and provides support to the Code Enforcement Division where substandard structures are involved.

Analysis

Willdan individually reviewed the services and programs associated with the Building Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

Building and Safety utilizes the current Los Angeles County Fee schedule as the basis for fees, so a program cost analysis was performed to determine the cost recovery for services utilizing the cost for services along with historical revenue. The analysis found that the current Building fees on average result in around 42% cost recovery for services. Staff are recommending that fees remain at their current levels as detailed in ***Appendix C.***

Engineering

The Engineering Division is responsible for the City's long term City infrastructure, including projects for

The Engineering Services Division reviews private development plans to determine impact upon City rights-of-way and provide corrections necessary to safely interface with improvements in the City's public rights-of-way; review parcel and tract maps for accuracy; plan check drainage and grading plans to determine the effect of subdivisions and development proposals from runoff, particularly as they affect adjacent properties and rights-of-way, traffic and circulation impacts of private development, and assisting the general public with engineering-related matters.

Analysis

Willdan individually reviewed the services associated with the Engineering Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

Engineering utilizes the current Los Angeles County Fee schedule as the basis for fees, so a program cost analysis was performed to determine the cost recovery for services utilizing the cost for services along with historical revenue. The analysis found that the current Building fees on average result in around 89% cost recovery for services. Staff are recommending that fees remain at their current levels as detailed in

Appendix C.

Recreation Services

The Recreation Services Division aims to enrich the lives of residents and to promote community connection through exceptional programs and services. The Recreation Services Division provides passport services, recreation and enrichment classes, community engagement events, and community outreach.

Analysis

Willdan individually reviewed the services and programs associated with the Recreation Services Division. The review also consisted of an evaluation of existing services in an effort to update the fee schedule.

The analysis of most Recreation programs encompassed facility rentals and other recreation services. The fee for use of government owned facilities and property can be set discretionally by the City per Proposition 26 to reduce the cost to the public for related facilities costs, and because there is market availability for facility use elsewhere. The cost of acquisition, maintenance, repair, and upgrade to the City and subsequently the community is partially offset by rental or use fee revenue. As such these fees should be set using the knowledge of activity use for the facilities, policy desires of the City, and market factors when desirable. It is generally accepted that many Recreation programs provide a measure of public benefit to the residents and City as a whole. In addition, cities generally want to ensure that their programs and services remain affordable to the community at large, and that the programs remain competitive with surrounding jurisdictions and private businesses. Therefore, full cost recovery is typically not the primary goal of fee setting. A cost recovery analysis of Community Services determined that current cost recovery is around 9%. Generally, California cities typically fall between 20% and 40% cost recovery post the COVID pandemic based on Willdan's experience performing such analysis in other cities in the State. Staff have suggested reasonable fee adjustments to the fee schedule, and they are detailed in [Appendix C](#).

Appendix A – Total Allowable Cost to be Recovered

Below are the total allowable costs that may be recovered through User Fees; however, only a portion of the total allowable cost is recovered as staff not only works on services related to User Fees, but also works on an array of other City functions during the operational hours of the City. The direct overhead percentages below are derived by dividing operational costs by personnel cost. The indirect allocation percentages are provided through the Cost Allocation Plan (see [Appendix D](#)). The amounts listed below will not reconcile to City budgets as costs that should not be included in overhead for personnel in the application of determining fully burdened hourly rates were excluded. Examples of these costs are capital, debt, monetary transfers, contract costs, and other costs that are charged directly to the service requestor.

City of La Puente - User Fee

Overhead Rate Calculations

Department	Total Personnel Services	Department Operations & Administration	Direct Overhead %	Indirect Allocation %
100: CITY CLERK	215,700	46,300	21%	0%
100: CITY MANAGER	562,600	302,000	54%	0%

Appendix C – Cost Recovery Analysis

The following tables provide the results of the analysis, resulting full cost recovery amount, and recommended fees. For fees, services, and penalties in which the full cost, existing fee, and suggested fee is listed as “NA”, the amount or percentage was not calculable. This is most common when either the current or the suggested fee includes a variable component that is not comparable on a one-to-one basis, a full cost was not calculated (for penalties, fines, market-based fees, or items not included in the study), or when there is not a current fee amount to compare against.

Animal Control

Item No.	Title	Current Fee/Charge	Unit
1	Dog License (Unaltered)	\$60.00

Item No.	Title	Current Fee/Charge	Unit
1	Permit Issuance Fee	\$61.59	
2	MECHANICAL PERMIT FEES		
3	For issuing each permit	\$61.59	
4	For the installation, alteration, or relocation of each refrigeration compressor or absorption unit, and for each fuel burning furnace, heater, boiler and vented decorative appliance including vents attached thereto:		
5	Up to and including 100,000 BTU	\$60.57	
6	More than 100,000 BTU and up to and including 500,000 BTU	\$116.69	
7	More than 500,000 BTU	\$292.25	
8	For each air inlet and air outlet served by any air-conditioning system	\$9.41	
9	Or when the number of air inlets and outlets are unknown, for each 1,000 square feet or fraction thereof of conditioned area	\$82.98	
10	NOTE: An air-conditioned system includes heating and/or cooling.		
11	For the installation, relocation or replacement of each appliance vent installed and not included in a appliance permit. VAV (variable air volume) Boxes	\$28.74	
12	For the installation or alteration of each air handling unit for air conditioning including ducts attached thereto:		
13	Up to and including 2,000 CFM		
14	Each unit up to 10	\$28.74	
15	Each unit over 10	\$8.89	
16	More than 2,000 CFM and up to and including 10,000 CFM, each	\$86.92	
17	More than 10,000 CFM, each	\$146.12	
18	NOTE: This fee shall not apply to an air handling unit which is a portion of a factory assembled air-conditioning appliance for which a permit is required elsewhere in this Code.		
19	For each evaporative cooler other than portable type	\$48.94	
20	For ventilation fans which serve a single register:		
21	Each fan up to 10	\$35.76	
22	Each fan over 10	\$12.49	
23	For each ventilation system which is not a portion of any air-conditioning system for which a permit is required elsewhere in this Code.	\$75.64	
24	For the installation of each commercial kitchen hood, spray booth or product conveying duct system, including the fans and ducts attached thereto	\$146.12	
25	For the installation of each fire damper	\$23.61	
26	For the alteration of an existing duct system for which a permit is not required elsewhere in this Code.	\$60.57	
27	Investigation fee for work done without a required permit shall be equal to the permit fee, but not less than:	\$751.49	
28	Exception: 1 or 2 family dwellings, when work is performed by owner-builder:	\$375.75	
29	NOTE: These fees are charged in addition to the permit fee work done.		
30	Noncompliance fee for R-3 occupancies:	\$225.69	
31	Noncompliance fee for other occupancies:	\$451.72	
32	Alternate material fee (Initial Filing Fee)	\$488.66	
33	Per hour	\$244.33	
34	NOTE 1.For a refrigeration system rating; one horsepower, one ton or 12,000 BTU per hour shall mean the same quantity. 2.For steam boilers rated in boiler horsepower; one horsepower shall equal 50,000 BTU per hour.		
35	MECHANICAL PLAN CHECK FEES		
36	The Mechanical Code requires plan check fees to be paid at the time of submitting plans and specifications for:		
37	Installations where the aggregate BTU input capacity for either comfort heating or comfort cooling is more than 500,000 BTU. Plans shall detail all the mechanical systems proposed, including comfort heating and comfort cooling systems, refrigeration systems and ventilation systems and hoods. The plan check fee of the required mechanical permit fee shall be	50%	
38	EXCEPTION: Identical appliances of 100,000 BTU or less, installed in a single building; Up to and including 10, (shall be 50% of permit fee)	50%

57	Table No. I		
58	For issuing each permit	\$61.59	
59	For each plumbing fixture or trap or set of fixtures on one trap (including drainage, vent, water piping and backflow prevention devices therefor), (hose bibbs are considered fixtures)	\$36.45	
60	For each permanent-type dishwasher whether individually trapped or not	\$36.45	
61	For future stacks or branches, each waste inlet	\$19.85	
62	For each roof drain	\$36.45	
63	For each drainage or sewer backwater valve	\$104.54	
64	For each industrial waste pretreatment interceptor, including its trap and vent, excepting kitchen-type grease interceptors functioning as fixture traps	\$36.45	
65	For each swimming pool drainage trap and receptor, whether connected to a building drain or a building sewer (water supply for pool not included)	\$36.45	
66	For each gas piping system on any one meter or alteration, extension or retest of existing gas piping system: Low pressure system:		
67	5 outlets or less	\$36.45	
68	For each additional outlet over five	\$9.24	
69	Medium or high pressure system:		
70	Each system	\$149.89	
71	Additional fee for each outlet	\$9.24	
72	For each gas meter not under control and maintenance of the serving gas supplier	\$36.45	
73	For each gas pressure regulator other than appliance regulators	\$36.45	
74	For each water heater and/or vent	\$36.45	
75	For repair or alteration of drainage and/or vent piping, each fixture	\$36.45	
76	For each piece of water-treating equipment	\$36.45	
77	For each water pressure regulator	\$36.45	
78	For potable water not covered elsewhere in fee schedule:		
79	1-1/2 inch and smaller	\$36.45	
80	2 inches to 3 inches	\$113.11

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
81	Over 3 inches	\$244.33	
82	For replacing water piping in a building (1) each fixture, each water treating device and each piece of water-using or dispensing equipment, or (2) each branch or riser that has none of the above items connected thereto	\$15.06	
83	For sprinkling systems on any one meter, each backflow prevention device therefor	\$36.45	
84	For each backflow-prevention device on unprotected water supplies, pools, tanks, vats, etc. (including incidental water piping)	\$36.45	
85	For each trap primer	\$36.45	
86	For each solar potable water-heating system, including water heater and vent	\$121.82	
87	Investigation fee for work done without a required permit shall be equal to the permit fee, but not less than	\$751.49	
88	Exception: 1 or 2 family dwellings, when work is performed by owner-builder	\$375.75	
89	Noncompliance fee:		
90	R-3 occupancies	\$225.69	
91	Other occupancies	\$451.72	
92	Alternate material fee	\$488.66	
93	per hour	\$244.33	
94	Table No. II		
95	For issuing each permit	\$61.59	
96	For the connection of a house sewer to a public sewer, or for the extension of a house lateral onto a lot for future use (separate permit required for each such connection or extension)	\$104.54	
97	For each house sewer manhole	\$104.54	
98	For each installation of a section of house sewer for future use	\$67.58	
99	For the connection of each additional building or additional work to a house sewer	\$67.58	
100	For the connection of a house sewer to a private sewage disposal system	\$67.58	
101	For each private sewage disposal system (septic tank and seepage pits or pits and/or drainfield)	\$214.73	
102	For each grey water system (storage tanks and disposal/irrigation fields)	\$214.73	
103	For each cesspool, overflow seepage pit, percolation test pit, swimming pool drywell, or drainfield extension or replacement	\$104.54	
104	For disconnection, abandonment, alteration or repair of any house sewer or private sewage disposal system or part thereof	\$67.58	
105	PLUMBING PLAN CHECKING		
106	(a) A plan checking fee as indicated shall be paid to the Chief Plumbing Inspector at the time of submitting plans and specifications for work described in this subsection. Said fee shall be equal to 40% of the required plumbing permit fee as set forth in Table I in this Article.	40% of Permit	
107	All plumbing systems proposed shall be submitted for review when a project (building or premises) taken as a whole has any of the following:		
108	1. More than 216 waste fixture units;		
109	2. Potable water supply piping required to be 2" or larger; or		
110	3. Fuel gas piping required to be 2" or larger or containing medium or high pressure gas.		
111	If any of the following systems is included in the work proposed, a surcharge shall be collected for each of these systems as follows:		
112	Combination waste and vent system	\$375.75	
113	Gas system containing an earthquake actuated shut-off valve	\$131.24	
114	Chemical waste system	\$74.78	
115	Rainwater system	\$244.33	
116	The minimum plan checking fee (including all surcharges) shall be	\$244.33	
117	For plan checking individual systems not required to be reviewed under Subsection (a) above:		
118	1. Combination waste and vent systems	\$564.14	
119	2. Gas system containing an earthquake actuated shut-off valve	\$187.70	
120	3. Chemical waste system	\$113.11	
121	4. Rainwater system	\$375.75	
122	5. Grey water system	\$214.73	
123	In addition to the aforementioned fees, the Chief Plumbing Inspector may require additional charges for plan check services beyond the initial and second check when such additional work is due to changes, omissions or errors on the part of the plan check applicant. Fees shall be charged per hour.	\$244.33	
124	The payment of said fees shall not exempt any person from compliance with other provisions of this Code.

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
125	ELECTRICAL PERMIT FEES		
126	For the issuance of each permit	\$61.59	
127	SYSTEM FEE SCHEDULE Note: The following do not include permit issuing fee.		
	New Residential Buildings		
128	The following fees shall include all wiring and electrical equipment in or on each building, or other electrical equipment on the same premises constructed at the same time. For new multifamily residential buildings (apartments and condominiums) having three (3) or more living units not including garages, carports, and other noncommercial automobile storage areas constructed at the same time, per square foot.	\$0.17	
129	For garages, carports, and other accessory buildings used in conjunction with multi-family residential buildings use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE. For new single and two-family residential buildings not including garages, carports and other minor accessory buildings constructed at the same time, per square foot.	\$0.35	
130	For garages, carports, and other minor accessory buildings constructed at the same time as the single or two-family residential buildings a fee will not be required. For other types of residential occupancies and alterations, additions and modifications to existing residential buildings, use BRANCH CIRCUIT FEE OR UNIT FEE SCHEDULE.		
	Private Swimming Pools		
131	For new private, residential, inground swimming pools for single, or multifamily occupancies, including a complete system of necessary branch circuit wiring, bonding, grounding, underwater lighting, water pumping and other similar electrical equipment directly related to the operation of a swimming pool, each	\$181.02	
132	For other types of swimming pools, therapeutic whirlpools, spas, hot tubs and alterations to existing swimming pools, each	\$121.82	
133	Carnivals and Circuses		
134	Carnivals, circuses or other traveling shows or exhibitions utilizing transportable-type rides, booths, displays and attractions.		
135	For electric generators and electrically driven rides each	\$86.92	
136	For mechanically driven rides and walk-through attractions or displays having electric lighting, each	\$36.45	
137	For a system of area and booth lighting, each	\$36.45	
138	For permanently installed rides, booth, displays, and attractions, use UNIT FEE SCHEDULE		
	Temporary Power Service		
139	For a temporary service power pole or pedestal, including all pole or pedestal mounted receptacle outlets and appurtenances, each	\$97.37	
140	For a temporary distribution system and temporary lighting and receptacle outlets for construction sites, decorative lighting, Christmas tree sales lots, firework stands, sales booths, additional pole, etc., each	\$47.73	
141	BRANCH CIRCUIT FEE SCHEDULE (Alternate to Unit Fees)		
142	Note: 1. The following do not include permit issuing fees; 2. Where appropriate either fee schedule may be used. Branch circuit fees apply to new branch circuit wiring and the lighting fixtures, switches and receptacles which are supplied by these branch circuits, including their outlets. For 15 or 20 ampere 120 volt lighting or general use receptacles:		
143	1 to 10 branch circuits inclusive, each	\$38.68	
144	11 to 40 branch circuits inclusive, each	\$32.18	
145	41 or more branch circuits, each	\$28.74	
146	For 15 or 20 ampere 208 volt to 277 volt lighting, each	\$60.92	
147	Exception: An individual multiwire circuit supplying one appliance may be counted as one circuit.		
148	UNIT FEE SCHEDULE (Alternate to Branch Circuit Fees)

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
149	Receptacle, Switch, Lighting, or other For receptacle, switch, lighting, or other outlets at which current is used or controlled except services, feeders and meters:		
150	First 20, each	\$4.79	
151	Additional outlets, each	\$3.25	
152	Note: For multi-outlet assemblies, each five feet or fraction thereof may be considered as one outlet.		
153	Lighting Fixtures For lighting fixtures, sockets, or other lamp holding devices:		
154	First 20, each	\$4.79	
155	Additional fixtures, each	\$3.25	
156	For pole or platform mounted lighting fixtures, each	\$5.64	
157	For theatrical-type lighting fixtures or assemblies, each	\$5.64	
158	Residential Appliances of Three Horsepower or Less		
159	For fixed residential appliances or receptacle outlets for same, including wall-mounted electric ovens, counter-mounted cooking tops, electric ranges, self-contained room, console, or through-wall air conditioners, space heaters, food waste grinders, dishwashers, washing machines, water heaters, clothes dryers, or other motor-operated appliances, not exceeding three (3) horsepower (HP) in rating, each	\$23.78	
160	Note: For other types of air conditioners and other motor-driven appliances having larger electrical ratings, see Power Apparatus.		
161	Other Appliances of Three Horsepower or Less For any appliance installed in a non-residential occupancy and not exceeding three (3) horsepower (HP), Kilowatt (KW), or kilovolt-ampere (KVA) in rating, including medical and dental devices, food, beverage, and ice cream cabinets, illuminated showcases, drinking fountains, vending machines, laundry machines, or other similar types of equipment, each	\$34.57	
162	Note: 1. As used in the above sentence, "non-residential occupancy" includes but is not limited to hotels and motels but excludes apartments and single-family dwellings.		
163	2. For other types of air conditioners and other motor-driven appliances having larger electrical ratings, see Power Apparatus.		
164	Power Apparatus		
165	For motors, generators, transformers, rectifiers, synchronous converters, capacitors, industrial heating, air conditioners and heat pumps, cooking or baking equipment, and other apparatus, with a rating in horsepower (HP) kilowatts (KW), kilovolt amperes (KVA), or kilovolt-amperes-reactive (KVAR) as follows:		
166	Rating over 3 and not over 10, each	\$44.48	
167	Rating over 10 and not over 50, each	\$102.83	
168	Rating over 50 and not over 100, each	\$192.32	
169	Rating over 100, each	\$317.91	
170	Note: 1. For equipment or appliances having more than one motor, transformer, heater, etc., the sum of the combined ratings may be used. 2. These fees include all switches, circuit breakers, contactors, thermostats, relays and other directly related control equipment.		
171	Busways		
172	For cable trays, trolley and plug-in type busways each 100 feet or fraction thereof	\$58.53	
173	Note: An additional fee will be required for lighting fixtures, motors and other appliances that are connected to trolley and plug-in type busways. No fee is required for portable tools.		
174	Signs, Outline Lighting, and Marquees For signs, outline lighting systems, or marquees supplied from one branch circuit, each	\$86.92	
175	For additional branch circuits within the same sign, outline lighting system, or marquee, each	\$28.74	
176	Services, Switchboards, Switchboard Sections, Motor Control Centers and Panelboards For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less and not over 399 amperes in rating, each	\$86.92	
177	For services, switchboards, switchboard sections, motor control centers and panelboards of 600 volts or less, and over 399 amperes to 1,000 amperes in rating, each	\$170.25	
178	For services, switchboards, switchboard sections, motor control centers and panelboards over 600 volts, or over 1,000 amperes in rating, each	\$362.41	
179	Miscellaneous Apparatus, Conduits and Conductors

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
180	For electrical apparatus, conduits and conductors for which a permit is required but for which no fee is herein set forth	\$145.96	
181	Note: This fee is not applicable when a fee is paid for one or more services, outlets, fixtures, appliances, power apparatus, busways, signs or other equipment.		
182	OTHER ELECTRICAL INSPECTIONS AND FEES		
183	For each extra inspection resulting from defective workmanship or materials, each For inspection of electrical equipment for which not fee is herein set forth and for emergency inspections for the time consumed	\$73.92	
185	or, for each hour, or fraction thereof	\$244.33	
186	For any single hazardous location area larger than 2,000 sq. ft. or an aggregate area consisting of smaller hazardous location areas totaling over 2,000 sq. ft., a surcharge in addition to any other applicable fees, each	\$488.33	
187	For investigation of alternate materials and methods of Construction		
188	For the Initial filing fee	\$488.66	
189	For each hour or fraction thereof, in excess of two	\$244.33	
190	For investigation and review of test reports from local testing laboratories, or to comply with Section 83-3.		
191	For one (1) to ten (10) items	\$564.14	
192	For eleven (11) to twenty (20) items	\$1,127.58	
193	For twenty-one (21) to fifty (50) items	\$1,691.71	
194	For more than fifty (50) items	\$1,880.11	
195	For high voltage switch gears, transformers or substations, each	\$1,127.58	
196	Investigation fee for work without a permit shall be equal to the permit fee, but not less than	\$751.49	
197	Exception: One and two family structure, wired by owner-builder	\$375.75	
198	Noncompliance Fee:		
199	For one and two family dwelling occupancies	\$225.69	
200	For other occupancies	\$451.72	
201	ELECTRICAL PLAN CHECKING		
202	The fee shall be equal to seventy percent (70%) of the required electrical permit fee provided, however, the minimum fee shall be:	\$244.33	
203	The fee for each tenant improvement plan check (installations requiring review to verify compliance with the State's Electrical Energy Conservation requirements (Title 24), when a building plan check is not required for that work, the fee shall be as follows:		
204	Per 1,000 sq. ft. or	\$30.46	
205	A minimum plan check fee of	\$122.51	
206	For additional review required by complexity of plans, or revisions of approved plans or reports, or for services beyond the first and second plan check, due to changes, errors, or omissions, per hour	\$244.33	
207	LANDSCAPE PERMIT AND PLAN CHECKING FEES		
208	Permit Issuance Fee	\$61.59	
209	OTHER FEES		
210	Permit Issuance Fee - to be paid in addition to the fees set forth below	\$61.59	
211	For site inspection not otherwise covered herein by a fee and which is regulated by the Building Code.	\$940.05	
212	For inspection of any use, occupancy or change in use or occupancy		
213	Group R or U Occupancy	\$487.99	
214	Occupancy groups other than R and U		
215	Affected floor area of up to 5,000 square feet	\$1,202.70	
216	Affected floor area of 5,001 to 10,000 square feet	\$1,447.38	
217	Affected floor area of 10,001 to 100,000 square feet	\$2,406.24	
218	Affected floor area of above 100,001 square feet	\$3,647.11	
219	For inspection of the repair or rehabilitation of a building or structure declared substandard by notice, the fee shall be based on the valuation For inspection of the demolition (including sewage system termination) of a building or structure	\$364.80	
220	For inspection of reinspection of Group A, Division 4, structures each	\$487.99	
221	For inspection of structures or devices regulated by Chapter 66, the first inspection of the first structure or device	\$364.80	
222	and, for each additional structure or device.	\$58.60	
223	For application and investigation for relocation building permits as required by Chapter 68:		
224	Floor Area: Up to 2,500 square feet	\$971.70

Development Services - Building

Item No.	Title	Current Fee/Charge	Unit
226	For investigation and/or permit for trailer coaches required by Chapter 69	\$361.37	
227	For inspection outside of normal business hours, per hour	\$219.02	
228	For inspection for which no fee is specifically indicated, per hour	\$219.02	
229	For inspection of barriers for swimming pools, spas and hot tubs	\$205.49	
230	For search of office records and a single copy of a permit	\$6.67	
231	For each hour expended responding to public records requests which do not reasonably describe identifiable records	\$76.66	
232	For Approval in Concept review pursuant to the 1976 Coastal Act (section 30,000 et seq. Public Resources Code)	\$290.71	
233	For geotechnical site review and processing geology or engineering reports submitted pursuant to Sections 110, 111, 113, 1804 and Appendix Section 3309:		
234	Geotechnical review of building plans and geotechnical reports		
235	Geotechnical site review (to determine if geotechnical reports are required)	\$920.71	
236	Geotechnical report, site, and plans review (review of initial and two addenda reports) The fee shall be 0.42% of the valuation of the proposed structure		
237	However, the minimum fee shall be	\$2,271.24	
238	and the maximum fee shall be	\$14,642.83	
239	Review of Geotechnical addenda beyond third review (per hour)	\$377.11	
240	Geotechnical site inspections and geotechnical report review PRIOR to building permit application Geotechnical site review (to determine if geotechnical reports are required)	\$920.37	
241	Geotechnical report and plan review prior to building permit application (per review)	\$1,823.46	
242	Geotechnical review of grading plans:		
243	1 - 1,000 cubic yards	\$1,503.15	
244	1,001 - 10,000 cubic yards	\$2,009.45	
245	10,001 - 100,000 cubic yards	\$2,738.88	
246	100,001 - 500,000 cubic yards	\$3,600.91	
247	5001,001 cubic yards and above the fee shall be	\$3,600.91	
248	plus/100,000 cubic yards of additional grading	\$225.01	
249	Geotechnical report and grading plan review (review of initial & two addenda 1 - 1,000 cubic yards	\$3,150.38	
250	1,001 - 10,000 cubic yards	\$4,724.21	
251	10,001 - 100,000 cubic yards	\$5,735.43	
252	100,001 - 500,000 cubic yards	\$7,872.03	
253	5001,001 cubic yards and above the fee shall be	\$7,872.03	
254	plus/100,000 cubic yards of additional grading	\$337.94	
255	Review of Geotechnical addenda beyond third review (per hour)	\$377.11	
256	For processing Coastal Engineering Reports	\$864.93	
257	For determining occupant load for purposes of parking requirements pursuant to Title 22 (Zoning Ordinance)	\$244.33	
258	Reproduction of microfilmed plans	\$69.30	
259	plus additional fee for each sheet to be reproduced	\$6.67	
260	Assignment of house numbers	\$120.45	
261	For additional review required by changes, addition, or revisions of approved or resubmitted plans or reports, per hour	\$244.33	
262	For additional review required beyond the initial and second check of plans or reports, per hour	\$244.33	
263	For the issuance of a Certificate of Occupancy	\$225.69	
264	For the issuance of a Temporary Certificate of Occupancy	\$338.96	
265	For each extension of a Temporary Certificate of Occupancy	\$225.69	
266	For processing of 45-day notice pursuant to Section 103.4	\$985.74	
267	For processing and recording a Notice of Violation pursuant to Section 103.4	\$783.49	
268	For processing and recording a Rescission of Notice of Violation pursuant to Section 103.4	\$673.98	
269	For investigation of alternate materials and methods of construction. For the initial filing fee	\$488.66	
270	For each hour or fraction thereof, in excess of two	\$244.33	
271	Preliminary plan review for conceptual approval, code application/interpretation prior 15 minutes or less) to submittal of permit application (two staff-hour minimum) (Exception: no fee for	\$488.66

Certification of Cost Allocation Plan

This is to certify that I have reviewed the cost allocation plan submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal 10/24/2023 to establish cost allocations or billings for FY 2024 are allowable in accordance with the requirements of this Part and the Federal award(s) to which they apply. Unallowable costs have been adjusted for in allocating costs as indicated in the cost allocation plan.

(2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the Federal awards to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently.

I declare that the foregoing is true and correct.

Executive Summary

This cost allocation plan ("CAP") summarizes a comprehensive analysis that has been completed for the City of La Puente, California (the "City") to determine the appropriate allocation of costs from central service departments to the operating departments. The primary objective is to allocate costs from departments that provide services internally to operating departments that conduct the day-to-day operations necessary to serve the community. The internal service costs typically represent (a) incurred for a common or joint purpose benefiting more than one cost objective, and (b) not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved. The term "indirect costs," as used herein, applies to costs of this type originating in the central service departments.

To ensure central service department costs are appropriately allocated to the operating departments, Willdan analyzed the City's cost code structure to determine which types of costs are allowable versus unallowable in accordance with standard and accepted cost allocation principles. The term "allocable costs" as used herein, applies to costs that are allowable for allocation.

The study is comprised of two separate allocation plans. Table 1 is the summary results of the allocation in compliance with the Office of Management and Budget Super Circular (the OMB Super Circular) and CFR Part 200 (Cost Principles). Table 2 that follows is the summary results of the full plan. The report below includes descriptions of the differences between the two plans, their separate purposes, and specific details of when the plans deviate from each other.

Introduction

In the early 1970s, the cost allocation plan concept was introduced to many government agencies. The purpose of a typical cost allocation plan is to identify costs related to rendering internal central support services and allocate those costs to operating departments or programs that utilize and benefit from them, in a fair and equitable manner.

Before indirect costs and central support service charges may be claimed for reimbursement by an operating department, there must be some formal means of identifying, accumulating and distributing these types of costs to all benefiting departments. Regardless of whether an agency has a formal comprehensive cost accounting system, the best method of accumulating, identifying, and determining a distribution of indirect costs is a cost allocation plan.

A City is made up of many departments, each with their own specific purposes or functions. Departments whose primary function is to provide support internally to other City departments are called central services. Examples of central services are City Clerk, City Council, City Manager, Financial Services, and General Services. Within these groups there are numerous functions performed that provide support to the direct cost centers. The direct cost centers, or departments and funds, which require support from Central Services and provide services directly to the community through their day-to-day operations, are called operating departments. Examples of operating departments are Public Safety, Development Services, and Community Services. The Cost Allocation Plan allocates the costs of the central services to the operating departments based on the nature of the functions of each central service, upon which the operating departments depend. This is done to determine the total cost associated with providing direct services. The overall goal of the cost allocation plan process is to allow cities to allocate a portion of the central service costs to the operating departments, thus 1) accounting for “all” costs, direct and indirect, for each operating department, and 2) facilitating the calculation of a fully burdened cost estimate of providing services to the public.

The purpose of this study is to:

- Identify the central support and operating departments in the City;
- Identify the functions and services provided by the central departments;
- Identify allocable and non-allocable costs associated with the City’s central service departments; and
- Distribute those costs to operating entities in a fair and equitable manner.

Approach

Methodology

The way in which each Indirect Service provides support to the operating departments is determined in order to perform allocations in a manner consistent with the nature of that Indirect Service. This ensures that the costs can be allocated to each operating department in a fair and equitable way. The Cost Allocation Plan identifies the functions of each central service department, and then determines a methodology to allocate or spread the central service costs in a manner that best represents the nature of those functions. The mathematical representations of central service functions used to allocate indirect costs are commonly called distribution bases. A distribution basis is a set of data displayed as the level of measure of each department's participation in a specific activity or City function. This basis is then used to distribute costs that reasonably relate to the activity or City function that the basis represents. Some examples of distribution bases are salary and benefits costs, number of full-time equivalent employees, frequencies of city council agenda items, and number of processed transactions. The data sets associated with these distribution bases for each department is collected to facilitate the allocation of indirect costs.

The methodology used for this Cost Allocation Plan is the iterative method, which is one of the most equitable methods for allocating costs from central services to operating departments. While not used as prevalently as simpler allocation methods, it is widely considered to be the most accurate. The iterative method utilizes a recursive application of central service cost distribution to allocate indirect costs. In the first step, the allocable costs of central service departments are identified and distributed to *all* departments including the central service departments themselves, based on the appropriate allocation bases that were selected to represent the manner in which central services are utilized. This is repeated ad infinitum until all costs have been distributed to the operating departments, and none remain with the central service departments.

As an example, consider the allocation of central service costs associated with the Equipment Replacement Fund. The function of central service function is identified, and the appropriate distribution basis is determined to be the total number of computers per department and fund. The allowable costs are then distributed to all City departments and funds based on their proportional share of computers, including other central services. The costs allocated from central service to central service in the initial allocation are then allocated out using the same distribution methodology. This function is performed as many times as necessary until all costs for the Equipment Replacement Fund have been allocated.

All central service departments are treated equally. That is to say, this method is performed concurrently for the allowable costs in each of the central service departments for each iteration until all costs associated with the central service departments have been allocated to each direct service department. The method is complete when the total amount of allocable costs remaining in the central service departments is equal to zero.

Applications

Public agencies use cost allocation plans for many purposes such as internal accounting, the justification of user fees, application for reimbursement from federal programs or the determination of administrative effort associated with special districts and/or municipal service activities. In many of these cases, the agency will be required to certify that the costs identified are “reasonable”. Per the *Code of Federal Regulations*, a cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. The question of reasonableness is particularly important when determining the amount that a public agency should be reimbursed for central service overhead activities associated with a federally funded program. Additionally, public agencies should consider special care to only identify the portion of central service costs that have not been reimbursed through other means (such as grants, user fee revenues, transfers from other departments or internal service funds) to avoid double-counting. These cost reductions are done before the allocation methodologies are used and are detailed within the model itself.

OMB Super Circular and 2 CFR Part 200

This report details the allocations for two separate cost allocation plans. The primary model, presented in text and tables in the below sections and in Appendix A, provides a plan that complies with the Office of Management and Budget Super Circular (the OMB Super Circular) and CFR Part 200 (Cost Principles) that are used to determine central overhead costs incurred while carrying out activities associated with Federal awards, cost reimbursement contracts and some other intergovernmental agreements (as required). The secondary model presented in Appendix B of this report is the full cost allocation plan, which the City should use for standard City operations and budgeting. Unless otherwise indicated, the details of this report and Appendix A contain the OMB compliant allocation plan. The Appendix B tables contain the full cost plan and utilize the same distribution methodology as the OMB Compliant plan. While the overall methodology used for both plans is the same, there are specific guidelines that require additional cost exemptions for OMB Super Circular compliance outside of what was done for the full cost plan. Where such exemptions are done in the methodology has been explained below. Some commonly encountered examples that are usually exempt under OMB Super Circular guidelines are:

- General Advertising
- Bad Debt
- Contingencies
- Litigation
- Debt Service
- Entertainment
- Capital
- Lobbying
- Legislative Body (City Council)
- Promotional Items

Central Service Departments

Eight (8) central service functions were identified for the purposes of this cost allocation plan:

- City Clerk
- City Council
- City Manager
- Financial Services
- General Services
- Human Resources / Risk Management
- Equipment Replacement Fund
- Vehicle Maintenance and Replacement Fund

Distribution Bases

Distribution bases are the allocation factors that may be used to distribute the allocable costs to all departments and funds. As discussed previously, distribution bases are measurable and readily available data that are utilized to represent activities or functions, and which are then used to distribute costs matching that activity or function. Below are the bases that were analyzed in this study and used to allocate Central Services costs to operating departments.

- Number of FTE Employees – The number of full-time equivalent personnel for each department and fund.
- Modified Total Direct Cost – The total allowable expenditures budgeted for each department and fund for FY 2023/2024 which excludes capital and debt., non-operational transfers, and grant subaward costs greater than \$25,000.
- Total Salaries & Benefits – The total salary & benefit expenditures for each department and fund for FY 2023/2024.
- Total City Hall Square Footage – The total City Hall square footage for each department and fund.
- Total Number of Receipts – The total number of receipts for each department and fund.
- Total Accounts Payable – The total number of accounts payable processed for each department and fund.
- Total Number of Copy Machines – The total number of copy machines for each department and fund.
- Total Number of Computers – The total number of computers for each department and fund.
- Total Number of Vehicles – The total number of vehicles for each department and fund.

Allocable Costs and Distribution Bases

Allocable Costs

Table 3 identifies the allocable cost of each central service department for the OMB compliant allocation plan, with the total allocable costs for this study being \$4,234,000. The total expenditures from the central service departments were \$4,618,200. However, \$384,200 of the expenditures identified as unallowable by the 200 CFR Part 200 and have been excluded from allocation. The primary exclusions were related to City Council, litigation, election, equipment charges, and debt expenses. The remaining amount was distributed to the operating departments and the central services departments by distribution factor(s) that best represents the functions of each central service department and the demand placed on that central service by all City departments, as previously described in the Methodology section of this report. The allocation methodology for each central service is detailed in the following section of this report.

Table 3: Allocable Cost Summary

Allocable Cost Summary - Central Services		Fiscal Year 2023-24	
Summary	Unallocable		
	Total Cost	Cost	Allocable Cost
	\$ 4,618,200	\$ 384,200	\$ 4,234,000
Central Service			
100: CITY CLERK	292,000	30,400	261,600
100: CITY COUNCIL	291,500	291,500	-
100: CITY MANAGER	864,600	18,800	845,800
100: FINANCIAL SERVICES	743,400	18,600	724,800
100: GENERAL SERVICES	244,100	17,300	226,800
100: HUMAN RESOURCES/RSK MGMT	1,664,500	2,600	1,661,900
550: EQUIPMENT REPLACEMENT FUND	62,500	-	62,500
555: VEHICLE MAINTENANCE & REPLACEMENT FUND	455,600	5,000	450,600

Central Service Allocation Methodology

The first step of the iterative allocation method is to distribute the allocable costs of the central service departments to other central service departments and operating departments based on the distribution methodology and bases that best represent the activity of the central service, and the functions it serves. The sections below describe each central service and the methodology used to allocate their costs. Corresponding tables detailing each distribution are attached in the Appendices as tables A-1 through A-3 for the OMB compliant plan and B-1 for the full cost plan.

Section 1: City Clerk

The mission of the City Clerk's office is to provide extraordinary service to the public, City staff and the City Council. The duties of the City Clerk include preparation and posting of meeting agendas and notices; recording the legislative actions of the City Council and City Commissions; and preparing resolutions, ordinances and contracts. The City Clerk maintains records of all City Council activities, property, contracts, resolutions, ordinances and minutes and ensures compliance with the City's records retention policies. The City Clerk administers municipal elections in accordance with State and local requirements; administers oaths of office and acts as the FPPC filing officer. In addition, the City Clerk receives subpoenas, claims against the City and manages and responds to all requests for public records; provides public information services and documents to City Council, City staff and members of the public and maintains the City's Municipal Code.

Allocation Method

Based on the assessment of the functions of the City Clerk, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Fifty percent (50%) of the allocable cost was allocated based on the amount of modified total direct cost for each department and fund
- Fifty percent (50%) of the allocable cost was allocated based on the number of full-time equivalents for each department and fund

100: CITY CLERK

Total FTE's	50%
Modified Total Direct Cost	50%

Section 2: City Council

The City Council strives to make policies that will achieve the goals and objectives that reflect the will of the residents of the City of La Puente and to provide direction to City Staff to implement programs and projects consistent with those goals and objectives. The role of the City Council is to set policy based on the goals and objectives of the community. The City Council provides direction to City Staff to implement policies made by the City Council. The most important policy tool of the City Council is the annual budget. An

important piece of the budget process is determining what the community needs and setting the goals to meet those needs through the budget process.

Allocation Method

Based on the assessment of the functions of the City Council, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Fifty percent (50%) of the allocable cost was allocated based on the number of full-time equivalents for each department and fund
- Fifty percent (50%) of the allocable cost was allocated based on the amount of modified total direct cost for each department and fund
- For the OMB plan the costs of City Council are not allocated to ensure OMB compliance

100: CITY COUNCIL

Total FTE's	50%
Modified Total Direct Cost	50%

Section 3: City Manager

The City Manager's primary function is to implement the policies set by the City Council to achieve the community's vision, goals and objectives. The City Manager advises the City Council on issues relevant to the City and prepares or directs the preparation of informational memoranda and reports to the City Council. The City Manager formulates plans and methodologies to implement the direction of the City Council and keeps the City Council advised of legislation and regulations that affect Council Members and the City.

Allocation Method

Based on the assessment of the functions of the City Manager, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Fifty percent (50%) of the allocable cost was allocated based on the number of full-time equivalents for each department and fund
- Fifty percent (50%) of the allocable cost was allocated based on the amount of modified total direct cost for each department and fund

100: CITY MANAGER

Total FTE's	50%
Modified Total Direct Cost	50%

Section 4: Financial Services

The Financial Services Division is committed to ensuring prudent financial management of public resources to fulfill the City's mission and citywide priorities. The department accomplishes this objective by providing

budgetary oversight. The Director of Administrative Services and Finance Manager ensures compliance with federal, state, and local laws, as well as City regulations and financial policies. The division directs the annual operating and capital budgets, long-term financial planning, financial enterprise systems, citywide cost allocations, investments and treasury, and all audits.

Financial Services manages all accounting and financial reporting and prepares the Annual Comprehensive Financial Report. The division is also responsible for cashiering, accounts payable, payroll, business license, customer service, and revenue.

Allocation Method

Based on the assessment of the functions of the Financial Services Division, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Fifty percent (50%) of the allocable cost was allocated based on the amount of modified total direct cost for each department and fund
- Twenty five percent (25%) of the allocable cost was allocated based on the number of accounts payable processed for each department and fund
- Twenty five percent (25%) of the allocable cost was allocated based on the total number of receipts for each department and fund

100: FINANCIAL SERVICES

Modified Total Direct Cost	50%
Total Accounts Payable	25%
Total # of Receipts	25%

Section 5: General Services

General Services supports other City departments to accomplish their goals in serving the public. It provides various internal services including facilities and landscape maintenance at City-owned properties, as well as equipment maintenance and repair. The division also serves as the cost center for City Hall utilities, custodial maintenance services, postage and mailings, and other services shared by various departments.

Allocation Method

Based on the assessment of the functions of General Services, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Eighty five percent (85%) of the allocable cost was allocated based on the total City Hall square footage maintained for each department and fund
- Fifteen percent (15%) of the allocable cost was allocated based on the total number of copy machines for each department and fund

100: GENERAL SERVICES

Total City Hall Sq Ft	85%
Total # of Copy Machines	15%

Section 6: Human Resources / Risk Management

The Human Resources / Risk Management Division is committed to supporting the employees of the City of La Puente through human resources services that promote a work environment characterized by open communications, personal accountability, and fair treatment of all employees through trust, mutual respect, and equal opportunity. The Division is also committed to reducing the financial impact of claims to the City and the corresponding frequency and severity of these events through the application of professional risk management techniques.

The division is also responsible for personnel recruitment, processing background checks, maintenance of personnel records, analyzing and reviewing personnel policies and procedures, monitoring employee evaluations, representing the City in labor negotiations, processing worker's compensations claims, and all other risk management functions.

Allocation Method

Based on the assessment of the functions of the Human Resources / Risk Management Division, it is reasonable to distribute the allocable cost by using the method(s) described below.

- Seventy five percent (75%) of the allocable cost was allocated based on the number of full-time equivalents for each department and fund
- Twenty five percent (25%) of the allocable cost was allocated based on the amount of total salaries and benefits for each department and fund

100: HUMAN RESOURCES/RSK MGMT

Total FTE's	75%
Total Salaries and Benefits	25%

Section 7: Equipment Replacement Fund

The Equipment Replacement Fund is established to provide resources for managing the City's Information Technology infrastructure. It includes the City's computer hardware, software, network, website, and applications. Additional services include troubleshooting, network security, monitoring and infrastructure upgrades.

Allocation Method

Based on the assessment of the functions of the Equipment Replacement Fund, it is reasonable to distribute the allocable cost by using the method(s) described below.

- One hundred percent (100%) of the allocable cost was allocated based on the total number of computers for each department and fund

550: EQUIPMENT REPLACEMENT FUND

Total # of Computers	100%
----------------------	------

Section 8: Vehicle Maintenance and Replacement Fund

The Vehicle Maintenance and Replacement fund provides for fuel costs, oil changes, regular maintenance or any repairs for all city owned vehicles. In addition, it will account for the costs of any new purchases of vehicles unless funded by grants.

Allocation Method

Based on the assessment of the functions of the Vehicle Maintenance and Replacement Fund, it is reasonable to distribute the allocable cost by using the method(s) described below.

- One hundred percent (100%) of the allocable cost was allocated based on the total number of vehicles for each department and fund

555: VEHICLE MAINTENANCE & REPLACEMENT FUND

Total # of Vehicles	100%
---------------------	------

Iterative Allocation

The total allocable expenditures of each central service department were allocated to other departments (including both operating departments and other central service departments) based on the individual methodologies outlined above in Sections 1 through 8 of the Allocation Percentages chapter. Any cost allocated from central service to central service is then reallocated using the same methodology. This operation is done iteratively until all allocable cost is received by the operating departments and funds, and none remain with the central services. After completion of the iterative allocation method, a total combined allocable cost of \$4,234,000 was distributed to all departments and funds until the allocable cost remained only in the operating departments and funds, and the amount of allocable costs remaining in central service departments was equal to zero.

The full cost plan follows the same methodology with the exception that all costs that were excluded solely for OMB compliance, but were reasonable for the full plan, were made allowable and included in the allocation. See Table B-1 for additional details for the full cost plan.

After implementing the iterative allocation methodology, all allocable central service costs have been distributed to the operating departments and funds. Table 1 in the Executive Summary of this report summarized the distribution of the total allocable cost of \$4,234,000 to each recipient department for the OMB compliant CAP. Table 2 summarized the distribution of the total allocable cost of \$4,527,100 to each recipient department for the full cost CAP.

Appendix A

Appendix A lists the tables detailing the allocation methodology performed in allocating central service costs for the OMB compliant cost allocation plan.

Appendix B

Appendix B provides the table detailing the allocation performed in allocating central service costs for the full cost allocation plan. The methodology for the full plan is the same as for the OMB compliant plan, as it is the most reasonable and represents how indirect support is provided in the City. The difference between the two plans, as has been described in this report, is in the costs that can be allocated.

City of La Puente AGENDA REPORT

To: Mayor and City Council For meeting of: March 26, 2024

Via: Bob Lindsey, City Manager

By: Troy O. Grunklee, CPA, Director of Administrative Services
Alex Merkel Medina, Finance Manager

SUBJECT: PRESENTATION OF FEBRUARY 2024 REQUISITION SUMMARY REPORT

BACKGROUND

On April 24, 2018, the City Council adopted several ordinances and accompanying resolutions amending the City's purchasing procedures to streamline and make the procurement process more efficient. One of the amendments to the purchasing procedures was a provision setting a \$5,000 spending limit for Department Heads and a separate provision increasing the City Manager's spending limit to \$20,000 for professional services, supplies and equipment. In order to document purchases approved by the City Manager and/or Department Heads the City Council directed that a monthly report be prepared and filed with the City Council. This action is to receive and file the requisition summary report for the month of February 2024.

DISCUSSION

City staff initiated nine (9) requisitions during the month totaling \$72,618.84.

RECOMMENDATION

It is recommended that the City Council receive and file the requisition summary report for February 2024.

City of La Puente AGENDA REPORT

To: Mayor and City Council

For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

By: Troy Grunklee, CPA, Director of Administrative Services
Alex Merkel Medina, Finance Manager

SUBJECT: PRESENTATION OF FEBRUARY 2024 INVESTMENT REPORT

BACKGROUND

This report presents the City's investment portfolio for the period of February 2024. The attachment provides details of the City's portfolio. It has been prepared to comply with regulations contained in California Government Code Section 53600 and the Statement of Investment Policy approved by the City Council on May 23, 2023.

The investment objectives of the City of La Puente are first, to provide safety of principal to ensure the preservation of capital in the overall portfolio, second, to provide sufficient liquidity to meet all operating requirements, and third, to earn a commensurate rate of return consistent with the constraints imposed by the safety and liquidity objectives.

The City follows the practice of pooling cash and investments for all funds under its direct control. Interest earned on pooled cash and investments is allocated to the various funds based on the respective fund's average quarterly cash balance. It is common for governments to pool the cash and investments of various funds to improve investment performance. By pooling funds, cities are able to benefit from economies of scale, diversification, liquidity and ease of administration.

DISCUSSION

The Investment Report for February 2024 has been provided as an attachment for your review. No investment purchases or sales took place during the period.

FISCAL IMPACT

Idle cash invested in certificates of deposit, government securities, and corporate bonds typically return higher yields than LAIF (Local Agency Investment Fund). This maximizes returns without assuming substantial additional risk.

SUMMARY

In summary, the City has conservatively placed its investment portfolio in LAIF, federal agency securities, corporate bonds, and certificates of deposit. The portfolio complies with the Statement of Investment Policy and the City has the ability to meet its expenditure requirements for the next six months.

RECOMMENDATION

It is recommended that the City Council receive and file this report.

City of La Puente AGENDA REPORT

To: Mayor and City Council

For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

SUBJECT: CONSIDERATION OF FUNDING ALLOCATION FOR THE LA
PUENTE/H.E.AR.T. AFFORDABLE PET CARE CLINICS

BACKGROUND/DISCUSSION

City Staff is recommending that funds be allocated to the La Puente/H.E.AR.T. affordable pet care services for the remainder of the calendar year.

FISCAL IMPACT

Estimated cost to continue the La Puente/H.E.A.R.T. Pet Care Clinics for the remainder of the calendar year: \$49,500.

RECOMMENDATION

It is recommended that the City Council allocate \$4,500 from Mayor Quinones, \$15,000 from Mayor Pro Tem Klinakis, \$10,000 from Council Member Mendoza, and \$20,000 from Council Member Munoz's discretionary ARPA funds to continue the La Puente/H.E.A.R.T. affordable pet care clinics for the remainder of the calendar year.

ATTACHMENTS

City of La Puente AGENDA REPORT

To: Mayor and City Council For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

By: Jeffrey Buckwell, Chief/Director of Public Safety
John Di Mario, Development Services Director

SUBJECT: CONSIDERATION OF AN AGREEMENT FOR CONSTRUCTION SERVICES WITH HORIZON STRUCTURES, LLC FOR PREFAB MODULAR COMMERCIAL DOG KENNEL STRUCTURES IN THE AMOUNT OF \$389,219.24 AND CONSIDERATION OF A RESOLUTION AMENDING THE FY 2023/2024 BUDGET AND CAPITAL IMPROVEMENT PROGRAM

BACKGROUND

At the City Council meeting of March 12, 2024, the City Council approved a professional services agreement with Community Works Design Group for the development of a new dog park on the City-owned vacant parcel of land located at the corner of Valley Boulevard and Old Valley Boulevard.

The proposed new dog park facility will include modular kennel structures to support the City's animal control program. To meet the City's needs, two identical kennel structures are being recommended that are 24' x 60' in size and include 16 dog runs, 48" wide feed alley and 12'x20' lobby/service room.

The kennels will serve as the City's primary intake and service animal shelter, serving our resident's dogs, cats and captured strays, as well as provide a service and recovery hub for the City's Trap, Neuter, Return ("TNR") feral cat program.

The kennels may also provide other services such as overnight/extended days kenneling services for dogs and cats.

DISCUSSION

Pursuant to Section 2.21.090 - Cooperative or piggyback awards, of the City's recently revised purchasing Ordinance, for all public works type projects, the City may use a cooperative competitive bidding procedure, or a "piggyback" contract prepared and processed by another local, state, or federal agency. This section requires that the piggyback contract must have been the result of a competitive bidding process of that agency, and the City may join into an existing awarded contract if it was obtained within 36 months of the City's consideration of the contract.

Staff has identified a competitively bid prefab modular dog kennels project awarded to Horizon Structures, LLC by the city of Augusta, Georgia on October 17, 2023. The contract was awarded following a competitively bid process and satisfies the requirements of Section 2.21.090 of the City's Municipal Code.

Horizon Structures, LLC has provided the City a quote for two (2) 24' x 60' prefab modular dog kennel structures based on the pricing of the awarded contract for Augusta, Georgia. The kennel structures will consist of prefab manufacturing to the units, delivery, and on-site build of structures, for a total cost of \$389,219.24.

The Contractor shall perform/complete all contracted services within 120 days of DARO (Day After Request Order) and shall furnish all labor, materials, equipment, tools, utility services, and transportation and perform and complete all work required in connection with the delivery, construction and installation of two (2) Horizon Structures prefab 24'x60' Commercial Dog Kennels, (collectively, the "LP Shelters Project") at City of La Puente Parcel 8247-032-900, located on the southeast corner of Valley Blvd. / Old Valley Blvd. The three (3) phases of contracted services include: 1. Prefabrication, 2. Transportation to project location, 3. Structure build & Placement. Contractor's estimated Lead Time: 12 weeks, on-site Build & Placement of both structures: four (4) days.

FISCAL IMPACT

The total cost for the kennel structures is \$389,219.24. Funding is available from the set-aside General Fund balance. Contained within this Agenda item is a proposed resolution amending the FY 23/24 Budget and CIP to reflect funding for this project.

RECOMMENDATION

It is recommended that the City Council: (1) authorize the City Manager to execute an Agreement for Construction Services with Horizon Structures, LLC for prefab modular commercial dog kennel structures in the amount of \$389,219.24, subject to contract approval by the City Attorney, and approve change orders up to 10% of the original bid amount; and (2) adopt Resolution No. 24-5862 amending the FY 2023/2024 Budget and Capital Improvement Program.

RESOLUTION NO. 24-5862

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA PUENTE, CALIFORNIA, AMENDING THE ADOPTED BUDGET AND CAPITAL IMPROVEMENT PROGRAM FOR FISCAL YEAR 2023-2024

WHEREAS, on May 31, 2023, the City Council approved and adopted the Fiscal Year (“FY”) 2023-24 budget and capital improvement program; and

WHEREAS, the City of La Puente has experienced various adjustments to changing conditions since the budget was adopted and needs to amend the budget to reflect these adjustments.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA PUENTE HEREBY FINDS, DETERMINES AND RESOLVES AS FOLLOWS:

SECTION 1. The above recitals are true and correct and are incorporated herein by reference.

SECTION 2. The City of La Puente’s Budget and Capital Improvement Program for Fiscal Year 2023/2024 is hereby amended to increase both revenue and expenditure appropriations as follows:

Fund	Amount
General Fund (100)	\$389,300.00

SECTION 3. The provisions of this Resolution are severable and if any provision, clause, sentence, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstances, such illegality, invalidity, unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, sections, words or parts thereof of the Resolution or its applicability to other persons or circumstances.

SECTION 4. That the City Clerk shall certify to the adoption of this Resolution and that the same shall be in full force and effect.

PASSED, APPROVED AND ADOPTED this 26th day of March, 2024, by the following vote:

AYES: COUNCILMEMBERS:
NOES: COUNCILMEMBERS:
ABSENT: COUNCILMEMBERS:
ABSTAIN: COUNCILMEMBERS:

City of La Puente AGENDA REPORT

To: Mayor and City Council For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

By: Troy O. Grunklee, CPA, Director of Administrative Services
Alex Merkel Medina, Finance Manager

SUBJECT: PRESENTATION OF FEBRUARY 2024 BUDGET REPORT

BACKGROUND

The City Council adopted the Fiscal Year 2023-2024 Budget and Capital Improvement Program on May 31, 2023. The attached report examines fiscal activity taking place during the month of February 2024 and includes all funds within the operating budget. The report analyzes year-to-date transactions in comparison to budgeted amounts for the entire fiscal year, expressing each category using a percentage-of-completion methodology. It additionally provides comparisons in activity level to the same time period last fiscal year.

DISCUSSION

As of February 29, 2024, sixty-seven (67) percent of the fiscal year has elapsed.

REVENUES

General Fund revenues to date have reached \$10,122,471 or 52.7% of the annual budget. In February of 2023, 52.6% of revenues had been realized – showing revenue stability over periods. Overall, Property Tax shows a 5% increase in collections over the last fiscal year. This increase has helped to offset the reduction in Sales and Use Tax and Measure LP revenues, which have declined by 2% and 8% respectively year-over-year. Licenses and Permits, Fines and Forfeitures, and Charges for Services all post results more than the 75% mark, outpacing the budget timeline and subsidizing General Fund activities.

EXPENDITURES

51.6% of budgeted General Fund operating expenditures have been realized, almost exactly equivalent to 50.9% at this time last fiscal year. Most departments have expended 65% or less of their annual budgets, indicating a pattern of fiscal restraint. An exception to this is General Services at 139.9%. This department now serves as the cost center for several transfers to the Internal Service Funds and simply represents a shift in budget categorization, not an increase in overall expenditures. In aggregate of all funds, 48.9% of the annual budget has been expended to date (\$17,260,542) in comparison to 45.7% at this time last year.

RECOMMENDATION

It is recommended that the City Council receive and file this report.

City of La Puente AGENDA REPORT

To: Mayor and City Council

For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

SUBJECT: UPDATE AND DISCUSSION REGARDING FUNDING OF 365 ATHLETIX
FITNESS PROGRAM AT LA PUENTE PARK

BACKGROUND/DISCUSSION

City Staff will provide an update on the 365 Athletix Fitness Program at La Puente Park and the related costs to the City for continuation of the program.

FISCAL IMPACT

Estimated cost for 365 Athletix Fitness Program at La Puente Park: \$3,600 monthly.

RECOMMENDATION

It is recommended that the City Council discuss this item and provide any necessary direction to Staff.

ATTACHMENTS

None.

City of La Puente AGENDA REPORT

To: Mayor and City Council

For meeting of: March 26, 2024

From: Bob Lindsey, City Manager

By: John DiMario, Development Services Director

SUBJECT: CONSIDERATION OF AN ORDINANCE AMENDING CHAPTER 3.28 (BINGO) OF TITLE 3 (PUBLIC SAFETY AND MORALS) OF THE LA PUENTE MUNICIPAL CODE

BACKGROUND

The City of La Puente (“City”) allows the operation of bingo games in the City for charitable purposes as described in Municipal Code Chapter 3.28. This chapter of the Municipal Code has not been updated since 1999 (Ord. No. 790 § 16, 1999). The City is not aware of any organizations currently offering bingo games in the City of La Puente.

Staff conducted research on bingo operations in six local jurisdictions including: Norwalk; Whittier; Bellflower; Walnut; Covina; and Downey. Staff compared code provisions and experience in each community with their perspective bingo operations. Additionally, staff reviewed current state law to see where updates to the City’s ordinance may need to be amended.

DISCUSSION

The proposed amendment to the City’s municipal code reflects current state law and local regulations on Bingo games in the City. Below are the most notable revisions:

- Aligned the Ordinance operation regulation with state law.
- Decreased the number of years required for an organization to be eligible for a license to conduct bingo games, to have held their meetings in the City for at least three years, instead of five years.
- Added the specific charitable purpose of the organization to benefit the community of La Puente.
- Added required documentation for permit eligibility.
- Increased the prize limit (a total value of \$500 per bingo game or the total value of prizes).
- Increased the number of days of operation and frequency to a maximum of two days during a seven-day period.
- The terms and references throughout the ordinance are updated to be internally consistent grammatically and consistent with local and state regulations.
- The titles reflect the current titles.

FISCAL IMPACT

None.

RECOMMENDATION

It is recommended that the City Council: (1) waive reading of Ordinance No. 24-985 and read by title only; and (2) introduce Ordinance No. 24-985, an ordinance of the City Council of the City of La Puente, California amending Chapter 3.28 (Bingo) of Title 3 (Public Safety and Morals) of the La Puente Municipal Code.

ATTACHMENTS

Attachment "A": Proposed Ordinance

ORDINANCE NO. 24-985

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY
OF LA PUENTE, CALIFORNIA AMENDING CHAPTER
3.28 (BINGO) OF TITLE 3 (PUBLIC SAFETY AND
MORALS) OF THE LA PUENTE MUNICIPAL CODE**

WHEREAS, the California Constitution (Article IV, Section 19) and section 326.5 of the California Penal Code, regulates the conduct of Bingo games and grants local authority to cities to authorize, regulate and license Bingo games for charitable purposes; and

WHEREAS, on October 12, 1999, the City of La Puente (“City”) extensively revised Title 3 (Public Safety and Morals) including Chapter 3.28 (Bingo) to comply with State law; and

WHEREAS, the City now seeks to update and amend the Bingo Ordinance in the City to remain in compliance with state and local regulation.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA PUENTE
HEREBY FINDS, DETERMINES AND ORDAINS AS FOLLOWS:**

Section 1. Findings.

The City Council finds that the above Recitals are true and correct and are incorporated herein by reference.

Section 2. Amendments.

The City Council of the City of La Puente amends the Bingo Ordinance as provided in Exhibit “A”, by adding the text shown in underline (example) and deleting the text shown in ~~strikeout~~ (~~example~~), as shown below.

Section 3. CEQA Findings.

The City Council finds that the Ordinance is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Code of Regulations CEQA Guidelines Section 15061(b)(3) in that it is no possibility it may have significant effect on the environment.

Section 4. Clerical Errors.

The City Council directs the City Clerk to correct any clerical errors found in this Ordinance including, but not limited to, typographical errors, irregular numbering and incorrect section references.

Section 5. Severability.

Should any section, subsection, clause, or provision of this Ordinance for any reason be held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity

or constitutionality of the remaining portions of this Ordinance; it being hereby expressly declared that this Ordinance, and each section, subsection, sentence, clause, and phrase hereof would have been prepared, proposed, approved, and ratified irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid, unenforceable, or unconstitutional.

Section 6. Effective Date.

In accordance with California Government Code Section 36937, this Ordinance shall take effect and be in force thirty (30) days from passage and adoption.

Section 7. Publication.

The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause this ordinance to be published and posted as required by law.

PASSED, APPROVED AND ADOPTED this 26th day of March, 2024, by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSENT:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:

Gabriel Quiñones, Mayor

ATTEST:

Martha Torres, City Clerk

- 3.28.520 Emergencies.
- 3.28.530 Suspension and revocation of licenses.
- 3.28.540 Renewal of revoked license.
- 3.28.550 Violations.

3.28.010 Chapter provisions to prevail.

The provisions of this chapter shall prevail over any other provisions of this code which are inconsistent with this chapter, including, but not limited to, the provisions of Chapter 3.24 ([Gambling](#)).

3.28.020 Bingo games for charitable purposes permitted.

Bingo games for charitable purposes are authorized pursuant to Section 19 [\(c\)](#), Article IV of the California Constitution, California Penal Code Section 326.5, and in accordance with the provisions of this chapter.

3.28.030 Organizations eligible for license to conduct bingo games.

Bingo games may be conducted only by organizations exempt from the payment of the Bank and Corporation Tax by Sections 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, and 23701l of the Revenue and Taxation Code; mobile home park associations; and, senior citizen organizations; and, provided, that the receipts of such games are used only for charitable purposes. In addition, no such organization shall be eligible for a bingo license unless it has been so qualified and has held its meetings in the City for at least ~~five~~ [three](#) consecutive years continually preceding the filing of the application for such license.

3.28.040 Bingo game license required.

No organization shall engage in, carry on, maintain, conduct, or cause to be engaged in, carried on, maintained or conducted a bingo game in the City without first having secured a license in accordance with the requirements of this chapter, nor without complying with the regulations contained in this chapter pertaining to the operations of bingo games.

3.28.050 Definition of "bingo."

“Bingo” means a game of chance in which prizes are awarded on the basis of designated numbers or symbols on a card that conform to numbers or symbols selected at random. Notwithstanding California Penal Code Section 330c, as used in this section, the game of bingo includes cards having numbers or symbols that are concealed and pre-printed in a manner providing for distribution of prizes. The winning cards shall not be known prior to the game by any person participating in the playing or operation of the bingo game. All pre-printed cards shall bear the legend, “for sale or use only in a bingo game authorized under California law and pursuant to local ordinance.” “Bingo,” as defined in this section, applies exclusively to this chapter and shall not be applied in the construction or enforcement of any other provision of law.

3.28.060 Procedures.

The application procedure provided for in Sections 3.28.010 through 3.28.550 of this chapter shall be followed with regard to licenses sought pursuant to these sections.

3.28.070 Filing of application.

Every person desiring a license pursuant to this chapter must file an application with the ~~community development director~~ Development Services Director, upon a form to be provided by the Development Services Director, and at such time, pay the required fee and penalty, if any. The application must be filed at least sixty (60) days prior to conducting any bingo game(s), and shall specify:

- (a) The name, address and telephone number of the applicant organization and a statement that applicant is an eligible organization under Section 3.28.030 of this chapter;
- (b) The name and signature of at least two (2) officers, including the presiding officer, of the corporation or community chest and the trustee of any trust;
- (c) A list of the names of members of the applicant organization who will, from time to time, operate and staff bingo games;
- (d) A detailed schedule of the day, hours, location, and occupancy capacity of such location of each bingo game to be held;
- (e) A detailed description of the record system to account for the receipts, prizes, expenses and profits of each bingo game;
- (f) The specific charitable purpose(s) which ~~the bingo proceeds will benefit~~ will benefit the community of La Puente;
- (g) The location and signatures of the special bank account(s) required by Section 3.28.320 of this chapter;
- (h) A statement that the applicant agrees to conduct bingo games in strict accordance with the provisions of California Penal Code Section 326.5 and this chapter, as they may be amended from time to time, and agrees that the license to conduct bingo games may be summarily suspended by the City Manager upon violation of any of such provisions;

- (i) The annual license fee of fifty dollars (\$50);
- (j) Except as to mobile home park associations and senior citizens organizations (unless the same are qualified under any of the applicable Revenue and Taxation Code sections), the applicant shall also submit, with its application, a certificate of determination of exemption pursuant to the Revenue and Taxation Code section which is applicable to the applicant organization, or a letter of good standing from the Exemption Division of the Franchise Tax Board in Sacramento showing exemption under said applicable section;
- (k) ~~The application shall be verified as provided in the Code of Civil Procedure for the verification of pleadings.~~ Provide a copy of the organization's charter, constitution, articles of incorporation or bylaws in order to verify the organization's purpose;
- (l) The address to which notice, when required, is to be sent or mailed, and the names of any individual or individuals, in addition to those set forth elsewhere in the application, who are authorized to accept service of process on behalf of the licensee;
- (m) Whether the application is for a new license or a renewal of an existing license; and
- (n) The particular property within the City, including the street number and indication of whether owned or leased by the applicant, used by such applicant for an office or for performance of the purposes for which the applicant is organized, on which property bingo games will be conducted, together with the occupancy capacity of the room in which bingo is to be conducted.

3.28.080 Action on receipt of license fee.

Upon receipt of a license fee, the ~~director~~ Development Services Director shall:

- (a) Issue a dated receipt showing the location for which an application has been made;
- (b) Transmit copies of the license ~~fee-referral-memorandum~~ application to ~~interested departments of the Ceity, including but not necessarily limited to the Ceity Mmanager, the City building official, the Los Angeles County sheriff's department, the city engineer, the city health officer, and the fire marshal,~~ and Development Services Director to determine compliance with the applicable zoning, building code, health code, and fire code requirements.

Formatted: Font color: Red, Strikethrough

Formatted: Underline

Formatted: Underline

3.28.090 Reports on application.

Every officer and department to which an application is referred shall, in writing, advise the Development Services Director of all material facts necessary to determine whether the license should be granted, granted subject to conditions, or denied, and their approval or disapproval of the application. The final decision shall be made at the City Manager's discretion. An appeal to the City Manager's decision shall be made in accordance with Section 3.28.160 of this chapter.

Formatted: Strikethrough

Following the hearing the Ceity Ceouncil will confirm, modify, reverse, or conditionally reverse the decision of the Ceity Mmanager. The decision of the Ceity Ceouncil is final and conclusive.

3.28.170 Contents of license.

The license will contain the following information:

- (a) The name and nature of the organization to whom the license is issued;
- (b) The address where bingo games are authorized to be conducted;
- (c) The occupancy capacity of the designated room in which bingo games are to be conducted;
- (d) The date of the expiration of such license;
- (e) Such other information as may be necessary or desirable for the enforcement of the provisions of this chapter;
- (f) The day and hours during which the licensee may conduct or operate bingo games.

The City may request additional license-related information and the requested information may be listed on the license application.

3.28.180 Term and nontransferance of license.

Bingo licenses will be issued for a term of one (1) year. Written application for renewal thereof shall be made to the Development Services Ddirector at least one (1) month prior to its expiration date. Licenses issued under this chapter are not transferable, either as to licensee or location. Any attempt to transfer will render the license void.

3.28.190 Requirement of bingo manager to conduct Bingo.

No person may engage in, conduct or carry on, or permit to be engaged in, conducted or carried on, in or upon any premises within the City, the operation of a bingo game unless such game is conducted under the personal direction of a bingo manager, duly licensed through the City and present on premises during all hours of operation, and bonded pursuant to this chapter for each bingo game.

3.28.200 Applications to be kept current.

Every organization having a license issued pursuant to this chapter, within five (5) days thereafter, must notify the Development Services Ddirector in writing of any change in facts required to be stated by this chapter.

3.28.210 Bingo manager license.

To obtain a bingo manager license, an applicant must be working under an organization that has a business license with the City and must file with the Development Services Director a written application together with the required fee. The application must set forth, in addition to such information as may be required by the Development Services Director, the following:

Formatted: Underline, Font color: Dark Red

Formatted: Strikethrough

- (a) A statement that neither the bingo manager, nor the members of the nonprofit organization which operate any bingo game organized by such organization, will receive any profit, wage, or salary or any other direct or indirect consideration from any bingo game(s) or funds derived from bingo activities;
- (b) A statement that the bingo manager applicant read and understands all requirements of the law in regard to conducting bingo games in the City, and that such bingo manager will accept full responsibility for the conduct of such bingo games and all bingo card/ticket salespeople under his or her direction.

Formatted: Underline

Formatted: Strikethrough

3.28.220 Bond or other security.

At the time of ~~so~~ filing with the Development Services Director an application for a license as a bingo manager, the applicant must either:

Formatted: Underline, Font color: Dark Red

Formatted: Strikethrough

- (a) File and thereafter maintain with the Development Services Director a good and sufficient bond in the aggregate sum of five thousand dollars (\$5,000) running to the City for the use and benefit of interested persons and parties, executed by the applicant and a surety company authorized to do business in the state, which surety company shall be approved by the City attorney; or
- (b) Assign to the City savings and loan certificates to the City a security deposit in the sum of five thousand dollars (\$5,000).

3.28.230 Requirements of bond.

The total aggregate liability on the bond or other security ~~deposit~~ provided under Section 3.28.220 of this chapter shall be five thousand dollars (\$5,000). The bond shall be conditioned upon the strict compliance, by the principal, with the provisions of this chapter, and the payment of any direct pecuniary loss sustained, through any act of grand or petty theft or other wrongful act on the part of the principal, his agent(s) or employee(s).

3.28.240 Term of bond.

The bond shall remain in force and effect for the entire period of the license. The surety may cancel the bond and be relieved of further liability thereunder by delivering thirty days' prior written notice to the City Manager. Such cancellation will not affect any liability incurred or accrued thereunder prior to the termination of the thirty-day (30) period. If the bond is canceled, a new bond in like form must be immediately filed and maintained and applied as provided in Sections 3.28.210 and 3.28.220 of this chapter. Upon failure to so file and maintain a new bond, the City Manager will suspend such bingo manager's license pending compliance.

3.28.250 Action on bond.

Any person who sustains any injury covered by the bond may, in addition to any other remedy which he or she may have, bring an action in his or her own name upon the bond for the recovery of any damage which that person sustained. Upon such action being commenced, such bond will not be void upon first recovery thereon but may be sued upon from time to time until the whole of the penalty shall be exhausted. The Ceity Mmanager may require the filing of a new bond, and immediately upon the recovery in any action on such bond, the bingo manager must file a new bond or assign savings and loan certificates to the Ceity as provided for in this chapter. Upon failure to file a new bond or assign a savings and loan certificate within ten (10) days, the Ceity Mmanager will suspend the bingo manager's license pending compliance.

3.28.260 Savings and loan certificates.

If in lieu of a bond, an applicant assigns to the city savings and loan certificates, the applicant shall agree in writing that if the Ceity Mmanager finds that any person sustains any pecuniary loss through any act of grand or petty theft or other wrongful act on the part of the principal, or his or her agent(s) or employee(s), the Ceity may redeem a sufficient number of such certificates and from the proceeds reimburse such person for the loss sustained.

3.28.270 Issuance of bingo manager's license.

The Ceity Mmanager will issue a bingo manager's license if:

- (a) The applicant is of good moral character and does not have a bad reputation for truth, honesty or integrity; free, within the last ten (10) years, of felony convictions related to crimes involving lotteries, gambling, larceny, perjury, bribery, extortion, fraud, or similar crimes involving moral turpitude as demonstrated by performance of a fingerprint and criminal background check through the State Department of Justice;
- (b) All of the statements made in such application are and each of them is true and not deceptive or misleading; and
- (c) The applicant has not violated any of the provisions of this chapter and has not engaged in any fraudulent transaction of enterprise; and
- ~~(d) —~~
~~(d) The applicant intends to conduct his or her business fairly and honestly.~~

If the applicant fails to meet the foregoing conditions, the Ceity Mmanager will deny the application, refuse to issue a license, and notify the applicant of the decision. The applicant for the bingo manager's license has the right to appeal the decision of the Ceity Mmanager to the Ceity Ceouncil in accordance with the provisions in Section 3.28.160 of this chapter.

3.28.280 Bingo games open to public.

All bingo games must be open to the public, not just to the members of the licensee organization.

3.28.290 Attendance limited to occupancy capacity.

Notwithstanding that bingo games are open to the public, attendance at any bingo game shall be limited to the occupancy capacity of the room in which such game is conducted as determined by the fire department in accordance with applicable laws and regulations. A licensee must not reserve seats or space for any person.

3.28.300 Designated bingo room.

The playing of bingo games provided for in this chapter must be confined to the room described in the license of each licensed nonprofit charitable organization, and no playing of any bingo games provided for or permitted by this chapter is permitted at any other location on such nonprofit charitable organization's premises, except in that area designated as the "bingo room."

3.28.310 Maximum amount of prize.

The total value of prizes awarded during the conduct of any bingo games must not exceed five hundred dollars (\$500) ~~two hundred fifty dollars~~ total in cash or kind, or both, for each separate game which is held. Total prizes being offered at various stages during an ongoing series of numbers or symbols being called toward a larger game must not exceed five hundred dollars (\$500) ~~two hundred fifty dollars~~.

Commented [A1]: (n) The total value of prizes available to be awarded during the conduct of any bingo games shall not exceed five hundred dollars (\$500) in cash or kind, or both, for each separate game which is held.

§ 326.5. Bingo games for charity, West's Ann.Cal.Penal Code § 326.5

3.28.320 Proceeds and profits.

- (a) 23701d Organizations. With respect to organizations exempt from payment of the Bank and Corporation Tax by Section 23701d of the Revenue and Taxation Code, all profits derived from a bingo game must be kept in a special fund or account and must not be commingled with any other fund or account. Those profits may only be used for charitable purposes.
- (b) Other Organizations Authorized to Conduct Bingo Games. All proceeds derived from a bingo game must be kept in a special fund or account and must not be commingled with any other fund or account. Proceeds are the receipts of bingo games conducted by organizations not within subsection (a) above. Those proceeds may only be used for charitable purposes, except as follows:
 - (1) The proceeds may be used for prizes.
 - (2) A portion of the proceeds, not to exceed ~~twenty~~ 20 percent of the proceeds before the deduction for prizes, or two thousand dollars ~~(\$2,000)~~ per month, whichever is less, may be used for rental of property and overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel.
 - (3) The proceeds may be used to pay license fees.
- (c) Records. Each licensee must keep full and accurate records of the income and expenses received and disbursed in connection with its operation, conduct, promotion, supervision and any other phase of bingo games which are authorized by this chapter. The Ceity, by and through its authorized officers, has the right to examine and audit such records at any reasonable time without prior notice and the licensee shall fully cooperate with the Ceity by making such records available. The licensee must maintain all such records for

Commented [A2]: (K)(2)(A) Except as provided in subparagraph (B), a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or two thousand dollars (\$2,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel

the period of time required by state and federal laws and for three (3) years for purposes of this chapter.

3.28.330 Financial interest in licensee only.

No individual, corporation, partnership, or other legal entity except the licensee organization may hold a financial interest in the conduct of such bingo game.

3.28.340 Exclusive operation by licensee.

A bingo game may be operated and staffed only by members and the manager of the licensee organization. Such members and manager may not receive a profit, wage, salary or any other direct or indirect consideration from any bingo game. Only the licensee may conduct a bingo game, or participate in the promotion, supervision or any other phase of such game. This section does not preclude the employment of security personnel who are not members of the authorized organization.

3.28.350 Assigning or subletting prohibited.

It is unlawful for any person, acting on behalf of any duly licensed nonprofit charitable organization, to assign, arrange for, or in any other manner allow a nonprofit charitable organization to conduct a bingo game when such organization does not have a valid license. It is likewise unlawful for any person, not having a valid license, to conduct the game of bingo on the premises ~~of a duly licensed nonprofit charitable organization~~ other than a location approved by the City. A violation of this section is also grounds for the revocation or suspension of any license issued to any nonprofit charitable organization described in the application.

3.28.360 Receipt of profit by a person—Misdemeanor under state law.

It is a misdemeanor under California Penal Code Section 326.5(b) and (c) for any person to receive a profit, wage or salary from any bingo game authorized under this chapter, a violation of which is punishable by a fine not to exceed ten thousand dollars (\$10,000), which fine must be deposited in the City's general fund. Security personnel employed by the organization conducting the bingo game may be paid from the revenues of bingo games.

3.28.370 ~~Bingo games conducted only on licensee's property.~~ Authorized location of Bingo games.

~~—(a) A licensee shall conduct a bingo game only on property owned or leased by it, or property whose use is donated to the organization, and which property is used by such organization for an office or for performance of the purposes for which the organization is organized. Nothing in this section shall be construed to require that property owned or leased by, or whose use is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.~~

- (a) The license issued under this chapter authorizes the licensee to conduct bingo games only on such property, the address of which is stated in the application and approved by the City.

(b) If the described property ceases to be used as an office and as a place for performance of the purposes for which the licensee is organized, the license will have no further force or effect.

(c) Under no circumstances will bingo be conducted on the same property more than ~~one~~ two (2) days per calendar week. This restriction pertains to all property whether or not it is shared by more than one bona fide charitable institution.

3.28.380 Minors not to participate.

No person under the age of eighteen (18) years of age shall be allowed to participate in any bingo game.

3.28.390 Alcoholic beverages prohibited.

No alcoholic beverages shall be served or consumed during the hours of operation.

3.28.400 Intoxicated persons not to participate.

No person who is intoxicated shall be allowed to participate in a bingo game.

3.28.410 Hours of operation.

No bingo game may be conducted between the hours of midnight and 10:00~~ten~~ a.m.

3.28.420 Bingo equipment.

All equipment used in the operation of bingo games must be owned by the organization authorized to conduct such games. Bingo equipment must only be obtained from a vendor licensed by the county of Los Angeles to vend bingo equipment approved by the City of La Puente and verified as appropriate gaming equipment.

3.28.430 Participant must be present.

No person shall be allowed to participate in a bingo game unless the person is physically present at the time and place in which the bingo game is being conducted.

3.28.440 Use of credit prohibited.

No licensee shall issue chips, checks, tokens, markers or money to a patron on credit or loan (including but not limited to IOU's and checks to be held) or allow any patron to play on credit.

3.28.450 City may enjoin violation.

The Ccity may bring an action in a court of competent jurisdiction to enjoin a violation of California Penal Code Section 326.5 or this chapter.

All licenses issued pursuant to this chapter may be modified, suspended or revoked pursuant to the provisions in Sections 5.08.100 and 5.08.110 of this code. The decision of the Ceity Cecouncil to modify, suspend or revoke a license is final and conclusive. In the event of revocation, no new license will be issued to such licensee except upon application made thereafter as in the case of a new applicant, ~~and as otherwise allowed under Section 3.28.550 of this chapter.~~

3.28.540 Renewal of revoked license.

Any nonprofit charitable organization whose license is finally revoked may not again apply for a license to conduct bingo games in the City for a period of one (1) year from the date of such revocation. However, if the ground for revocation is cancellation of the exemption granted under Section 23701 b, d, e, f or l of the Revenue and Taxation Code, such organization may again apply for a license upon proof of reinstatement of such exemption.

3.28.550 Violations.

A violation of any of the provisions in this chapter is a misdemeanor which is punishable by the general penalty of Section 1.08.040 of this code.
