ADJOURNMENT

City of La Puente Agenda Report

To: Mayor and City Council For meeting of: March 4, 2026

From: Bob Lindsey, City Manager

By: Susie Altamirano, City Attorney

Subject: CONTINUED FROM THE FEBRUARY 24, 2026, REGULAR CITY COUNCIL MEETING
 - CONSIDERATION OF APPROVAL OF A RESOLUTION CALLING A JUNE 2, 2026 SPECIAL ELECTION TO SUBMIT TO LA PUENTE VOTERS A BALLOT MEASURE TO INCREASE THE CITY'S EXISTING 1/2% TRANSACTIONS AND USE TAX, REQUESTING CONSOLIDATION WITH AND ASSISTANCE FROM THE REGISTRAR FOR LOS ANGELES COUNTY, ESTABLISHING OTHER PROCEDURES; MAKING FINDINGS REQUIRED BY ARTICLE XIII C, SECTION 2(B) OF THE CALIFORNIA CONSTITUTION; AND SUBMITTING FOR FIRST READING AN ORDINANCE EFFECTUATING THE PROPOSED TAX INCREASE SUBJECT TO VOTER APPROVAL

BACKGROUND/DISCUSSION

On November 6, 2018, La Puente voters approved a ballot measure establishing a half percent (1/2%) transactions (sales) and use tax which is an add-on to the general sales tax paid by purchasers of goods in La Puente. The transactions and use tax is collected on the City's behalf by the California Department of Tax and Fee Administration ("CDFTA") in the same manner and at the same time sales taxes are generally collected.

Last month, the Los Angeles County Board of Supervisors also placed 1/2% transactions and use tax measure on the ballot. If approved the increase will apply to purchases made in the City of La Puente. Under State laws governing the establishment of transactions and use taxes by counties, cities and special districts, the maximum cumulative percentage that may be added above the general sales tax is 2%. (Rev. & Taxation Code section 7251.1.) On occasion, counties and cities are able to secure special legislation that allows them to establish or increase a transactions and use tax rate without the increase counting against the 2% limit established by State law. Although, the County of Los Angeles has been able to secure such legislation in the past and is currently seeking legislation to exempt its latest tax proposal from the 2% cap, it is not a given that such legislation will be granted. If not, and if the County measure were to be approved without a City measure also appearing on the ballot, the County's tax would absorb the remaining 1/2% currently available to the City and lock the City into its current rate.

As a general proposition, if the City were to place its own tax measure on the June 2, 2026, ballot and the County measure were to fail, the City would capture the remaining 1/2% thereby locking out the County from absorbing the remaining half percent available under State law. If the County is able to secure special legislation exempting its increase from the 2% cap and if the County measure and the City measure were both approved, both taxes would go into effective with the County's increase layered on top of the City's increase. It is an open question as to how the issue would be resolved if both measures passed without the County having secured special legislation. The CDFTA has signaled that it would throw the question to the California Secretary of State to issue a legal opinion that would decide how to reconcile both measures.

Given the uncertainty surrounding the County’s ability to obtain special legislation and whether the County measure would even be approved by voters, it is proposed that the City Council consider a measure to place on the June 2, 2026 ballot that allows the City to protect the remaining 1/2% for the City but give the City the option to refrain from imposing the increase if the County measure fails outright or if the County measure is approved but subject to special legislation that exempts it from the 2% cap and preserves the City’s ability to absorb the remaining 1/2% at a future date should later County measures or later measures from other agencies with similar taxing authority threaten to absorb the remaining 1/2%. The attached measure materials, modeled after a similar, successful measure placed by the City of Beverly Hills in 2020, gives the City the ability to protect the remaining 1/2% for the City with the flexibility of allowing the City to suspend such increase if no other taxing entity poses a threat to take the remaining 1/2% for itself.

The deadline for calling an election and delivering materials calling the election to the County Registrar is Friday, March 6, 2026. Because this is a tax measure placed on a special election ballot, it is also necessary for the City Council to make a unanimous finding of fiscal emergency by members present for the vote as required by Article XIII C, Section 2(b) of the California Constitution. Because of separate statutes governing the place of general taxes and transactions and use taxes on the ballot require a supermajority of 4 Council members to place such measures on any ballot, unanimity of only 3 City Council members present would not be sufficient to place the matter on the June 2, 2026, ballot. The requisite findings of fiscal emergency appear in the resolution accompanying this staff report.

FISCAL IMPACT

It is anticipated that the cost of placing a measure on the June 2, 2026, ballot will be approximately \$119,306.25. The estimate does not represent fixed fees and the actual amounts billed by the Los Angeles County Registrar-Recorder/County Clerk's office may vary.

RECOMMENDATION

(1) Adopt Resolution No. 26-5975 to place a measure on the June 2, 2026, ballot and make findings required by Article XIII C, Section 2(b) of the California Constitution; and (2) Approve for first reading Ordinance No. 26-995 effectuating the same subject to voter approval of the contemplated ballot measure.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LA PUENTE AS FOLLOWS:

SECTION 1. Recitals. The City Council hereby finds and determines that the foregoing Recitals are true and correct, are incorporated herein and by this reference made an operative part thereof.

SECTION 2. Fiscal Emergency Findings. Based the oral and written reporting of City staff in the staff report materials that accompany this resolution at the City Council’s meeting of March 4, 2026, the City Council hereby unanimously finds and declares a fiscal emergency, as the term “emergency” is used in Article XIIC, Section 2(b) of the California Constitution, now exists in the City justifying the call for a special municipal election on June 2, 2026, in order that the City may propose, and the City voters may consider, adoption of a general tax ballot measure as contemplated herein to address that emergency by ensuring that the City has the resources

necessary to preserve the public health, safety and welfare. The findings in support of the finding of fiscal emergency are as follows: During the prior year budget process, the City Council had discussed the growing financial pressures facing the City due to rising costs associated with providing essential services. These cost increases, combined with limited projected revenue growth and ongoing service demands, create a need for additional locally controlled funding to maintain the City’s high standard of public safety, animal control services, homelessness prevention programs, community services programs, and events, and address a growing need to fix and enhance aging infrastructure. Despite the City’s strong record of fiscal stewardship, including responsible budgeting, service prioritization, and efficiency improvements, continued increases in the cost of emergency response, public safety staffing, equipment upgrades, and community programs have made it increasingly difficult to sustain core services at current levels, without additional revenue. For these reasons, circumstances justifying the declaration of a fiscal emergency exist.

SECTION 3. Submission of Ballot Measure. Having satisfied the approval requirements of Government Code Sections 53723 and 53724(b), Revenue and Taxation Code Section 7285.9 and Article XIIC, Section 2(b) of the California Constitution, the City Council, pursuant to Elections Code Section 9222 and 12001 hereby orders and calls a special municipal election to be held in the City of La Puente, California on Tuesday, June 2, 2026, so that La Puente voters may consider a ballot measure to increase the City’s existing half percent (1/2%) transactions and use tax to an increased rate of **[three quarters of a percent (3/4%)] [one percent (1%)]** and to make certain administrative amendments and updates to Municipal Code provisions that codify the City’s transactions and use tax as requested by the California Department of Tax and Fee Administration. If approved by the voters the new tax rate shall be implemented by the Ordinance which is attached hereto as **Exhibit “A”** to this Resolution. The transactions and use tax that is the subject of the Measure is and will remain a general tax within the meaning of Proposition 218 whose proceeds may be deposited in the City’s general fund and used for any public or other governmental purpose. Accordingly, the vote requirement for passage of the proposed Measure is a majority of the votes cast (50% plus 1) at the June 2, 2026, special municipal election. Pursuant to paragraph (e) of Government Code section 54954.6, placement of the tax measure contemplated herein on the ballot is exempt from the noticing and hearing requirements of paragraphs (a)-(d) of the same Government Code section 54954.6.

SECTION 4. Ballot Measure Question. The City Council does hereby order that the Measure shall be presented and printed upon the ballot submitted to the qualified voters in the manner and form set forth herein. There shall be printed substantially the following ballot question in compliance with Election Code Sections 9051, 13119(b) and 13247:

This chapter shall be known as the La Puente Transactions and Use Tax Chapter (hereinafter "Chapter"). The City of La Puente shall hereinafter shall be called "City." This chapter shall be applicable in the incorporated territory of the City.

2.34.020 **Operative Date.**

- A. *The transactions and use tax codified under this ordinance was first approved by La Puente voters at a municipal election held November 6, 2018, and pursuant to Revenue and Taxation Code Section 7265 became operative on the first day of the calendar quarter commencing 110 days after its adoption, April 1, 2019 at an original rate of half a percent (1/2%).*
- B. *On June 2, 2026, La Puente voters approved a City-initiated ballot measure to increase the transactions and use tax rate to [three quarters of a percent (3/4%)] [one percent (1%)]. For purposes of this ordinance the term "operative date" shall mean October 1, 2026, the date upon which the increased [three quarter percent (3/4%)] [one percent (1%)] transactions and use tax rate shall take effect.*

2.34.030 **Purpose.**

This Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

(a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

(b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

(c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

(d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

2.34.040 *Contract with state.*

Prior to the operative date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

2.34.050 *Transactions tax rate.*

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

2.34.060 *Place of Sale.*

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

Section 2.34.070 Use tax rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 2.34.080 Adoption of provisions of state law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Section 2.34.090 Limitations on adoption of state law and collection of use taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(a) Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

- 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;*
- 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this ordinance;*
- 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:*

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

Section 2.34.110 Exemptions and exclusions.

- (a) *There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.*

(B) With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. *The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.*

4. *A lease of tangible personal property, which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.*

5. *For the purposes of subparagraphs (b)(3) and (b)(4) of this section, above, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.*

This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.*

3. *If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.*
 4. *If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.*
 5. *For the purposes of subparagraphs (c)(3) and (c)(4) of this section, above, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.*
 6. *Except as provided in subparagraph (c)(7), below, a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.*
 7. *"A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. Section 2.34.120 Amendments to revenue and taxation code.

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Section 2.34.130 Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

Section 2.34.140 Annual Audit.

By no later than December 31st of each year, the City shall cause an independent auditor to complete an audit of the tax revenues collected under this Chapter. Such report shall review whether the tax revenues collected pursuant to this Chapter are collected, managed and expended in accordance with the requirements of this Chapter.

2.34.160 Automatic Suspension, Implementation.

The taxes authorized by this Chapter are subject to the following:

- (a) For purposes of this section, the term “district” has the meaning set forth in section 7252 of the State Revenue and Taxation Code to the extent such a district may have taxing powers within the City’s jurisdiction under applicable law. For example, and without limitation, the County of Los Angeles is a district for purposes of this section.*
- (b) The voter-approved transactions use tax rate of [three quarters of a percent (3/4%)] [one percent (1%)] authorized under this Chapter was previously set at a voter-approved rate of half of a percent (1/2%). For purposes of this section, the following terms shall have the following meaning:*
 - 1. “Maximum Tax Rate” means the voter-approved maximum transactions and use tax rate of [three quarters of a percent (3/4%)] [one percent (1%)] approved by La Puente voters at a Special Election held June 2, 2026.*
 - 2. “Base Tax Rate” means the prior voter-approved half percent tax rate of half of a percent (1/2%) that preceded the Maximum Tax Rate.*
 - 3. “2026 County Sales Tax Measure” means that certain transactions and use tax measure placed on the June 2, 2026, ballot by Los Angeles County Board of Supervisors action taken on February 10, 2026 under Board of Supervisors Agenda Item No. 15 and commonly referred to as the “Essential Services Restoration Act for Los Angeles County General Sales Tax Measure”.*
- (c) The City will suspend collection of the City’s transactions and use tax at the Maximum Tax Rate and continue to collect said tax at the Base Tax Rate if (i) the 2026 County Sales Tax Measure is not approved by the voters at an election held June 2, 2026; or (ii) California State Assembly Bill 1768 (Bryan) (“AB 1768”) introduced during the 2025-2026 legislative session is signed into law and so long*

the exemption from the limitations of Revenue and Taxation Code section 7251.1 afforded therein to the County of Los Angeles remain in effect. If the exemption granted to the County of Los Angeles under AB 1768 is repealed or allowed to expire, but the transactions and use tax established by the 2026 County Sales Tax Measure remains in effect, then the City shall commence collection of the City's voter-approved tax at the Maximum Tax Rate immediately or as soon thereafter as the California Department of Tax and Fee Administration is able to commence collection at the Maximum Tax Rate.

- (d) The City will also suspend collection of the City's transactions and use tax at the Maximum Tax Rate unless and until the County of Los Angeles or any other district with authority to levy transactions and use taxes within the City of La Puente places a transactions and use tax measure on the ballot (either on its own initiative or in response to a initiative petition) that, if approved by the voters, would completely exhaust, or otherwise reduce, the then-allowable amount by which said tax rate may increase the cumulative transactions and use tax rate allowable under Revenue and Taxation Code section 7251.1.*
- (e) Should the County of Los Angeles or any other district place a transaction and use tax on the ballot as contemplated by subsection (d) of this section, then the City will commence the process for collection of the tax at the Maximum Tax Rate on the first day on the month that the election on the tax will take place or as soon thereafter as the California Department of Tax and Fee Administration is able to commence such collection on the City's behalf.*
- (f) Nothing in this section is intended to, nor will it, limit the number of times the City may suspend or implement tax collection authorized by this Chapter based upon the actions contemplated in subsections (c) through (d) of this section.*

2.34.170 *Suspension or Reduction.*

Nothing in this Chapter requires the City Council to collect a tax. The City Council may suspend or reduce tax rates imposed by this Chapter by resolution after public meeting at which public testimony may be taken.

2.34.180 *Council Authority to Amend.*

Except for amendments that would increase the rate of the City's transactions and use tax beyond the Maximum Tax Rate as defined under Section 2.34.160, above, the City Council may exercise all applicable powers set forth in the state Government Code including, without limitation, amending this Chapter by ordinance by no less than simple majority vote of the full membership of the City Council. The City Council may also adopt by ordinance or resolution such additional regulations that may be necessary to implement the purposes of this Chapter.

Section 2.34.180 *Severability.*

If any provision of this Chapter or the application thereof to any person or circumstance is held invalid, the remainder of the Chapter and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 9. Effective Date.

A. This Ordinance relates to an increase to the City’s transactions (sales) and use tax rate from rate of half of a percent (1/2%) to [three quarters of a percent (3/4%)] [one percent (1%)]. The foregoing notwithstanding, this Ordinance may only become operative if approved by a simple majority of votes cast by La Puente voters at a June 2, 2026, special election. If approved by the voters, the transaction and use tax rate set forth under Chapter 2.34 of the La Puente Municipal Code will increase to [three quarters of a percent (3/4%)] [one percent (1%)]. If the measure fails, this Ordinance shall be rendered inoperative and void, however, the defeat of the measure shall not operate to extinguish or amend the existing transaction and use tax as presently constituted and last approved by La Puente voters on November 6, 2018.

B. The increased tax rate established under this Ordinance shall not go into effect until October 1, 2026. Upon October 1, 2026, the current text of Chapter 2.34 of the La Puente Municipal Code shall be amended and updated in its entirety as referenced in Section 2 of this Ordinance. By passage of the measure and approval of this Ordinance, the City may make, without additional voter approval, clerical, formatting or numbering corrections to the aforementioned text to ensure conformity with the requirements of the California Department of Tax and Fee Administration and to ensure internal consistency within the La Puente Municipal Code, provided that no such corrections may result in an increase to the transactions and use tax rate above the voter-approved rate of [three quarters of a percent (3/4%)] [one percent (1%)].

SECTION 10. CEQA. This Ordinance is exempt from review under the California Environmental Quality Act (Cal. Pub. Resources Code, § 2100 *et seq.*) (“CEQA”) and the CEQA Guidelines (14 Cal. Code of Regs., § 15000 *et seq.*) because it establishes rules and procedures to implement government funding mechanisms; does not involve any commitment to a specific project that could result in a potentially significant physical impact on the environment; and constitutes an organizational or administrative activity that will not result in direct or indirect physical changes in the environment. Accordingly, this Ordinance does not constitute a “project” that requires environmental review (14 Cal. Code of Regs., § 15378(b)(4)-(5)).

SECTION 11. Duration Unchanged. The transactions and use tax increased under this Ordinance shall continue to be of an indefinite term unless and until repealed by La Puente voters.

SECTION 12. Certification Of Adoption. The City Clerk shall certify the adoption of this Ordinance and shall cause the same to be published pursuant to California Government Code Section 36933, following approval by La Puente voters at the City’s special election held of June 2, 2026.
